 Judy Finnigan launched their book club and sparked debate about the way people in Britain from the general reader to
 publishers to the literati thought about books and reading The Richard Judy Book Club Reader brings together historians of
 the book literature scholars and specialists in media and cultural studies to examine the effect of the club on reading
 practices and the publishing and promotion of books Beginning with an analysis of the book club s history and its ongoing
 development in relation to other reading groups worldwide including Oprah s the editors consider issues of book marketing
 and genre Further chapters explore the effects of the mass broadcast celebrity book club on society literature and its
 marketing and popular culture Contributors ask how readers discuss books judge value and make choices The collection
 addresses questions of authorship authority and canon in texts connected by theme or genre including the postcolonial exotic
 disability and representations of the body food books and domesticity In addition book club author Andrew Smith shares his

polemically engaged with urgent political issues that have both local and global resonance the veil Islamophobia and a distinctively African brand of feminist critique Third it revisits Fredric Jameson's claim that all third world texts are national allegories and considers these novels by African women in relation to Jameson's claim arguing that their work has complicated Jameson's assumptions **Reading Beyond the Book** Danielle Fuller, DeNel Rehberg Sedo, 2013-04-02

Literary culture has become a form of popular culture over the last fifteen years thanks to the success of televised book clubs film adaptations big box book stores online bookselling and face to face and online book groups This volume offers the first critical analysis of mass reading events and the contemporary meanings of reading in the UK USA and Canada based on original interviews and surveys with readers and event organizers The resurgence of book groups has inspired new cultural formations of what the authors call shared reading They interrogate the enduring attraction of an old technology for readers community organizers and government agencies exploring the social practices inspired by the sharing of books in public spaces and revealing the complex ideological investments made by readers cultural workers institutions and the mass media in the meanings of reading *The Rights War in Literature and Culture* Jennifer Rickel, 2025-07-31 Rights War tracks how the human rights framework is weaponized against the oppressed and it makes the case for the central place of literature in understanding this seizure of narrative control While literary humanitarianism depoliticizes suffering and positions the reader as a savior to traumatized Others Rights War shows how contemporary fiction by women of color and queer writers across the African diaspora engage innovative narrative paradigms to address structural inequities It analyzes strategies set out in this literature for disarming savior victimism which it identifies as a pernicious cultural phenomenon in which the powerful proclaim themselves saviors to and victims of those they marginalize As the disassociation of national rights from international human rights and the disconnection of civil and political rights from social and economic rights provoke a contest of victimhood this book offers a renewed argument for the indivisibility of rights and the social justice function of literature The Routledge Companion to Literature and Class Gloria McMillan, 2021-09-01 The Routledge Companion to Literature and Class offers a comprehensive and fresh assessment of the cultural impact of class in literature analyzing various innovative interdisciplinary approaches of textual analysis and intersections of literature including class subjectivities mental health gender and queer studies critical race theory quantitative and scientific methods and transnational perspectives in literary analysis Utilizing these new methods and interdisciplinary maps from field defining essayists students will become aware of ways to bring these elusive texts into their own writing as one of the parallel perspectives through which to view literature This volume will provide students with an insight into the history of the intersections of class theory of class and invisibility in literature and new trends in exploring class in literature These multidimensional approaches to literature will be a crucial resource for undergraduate and graduate students becoming familiar with class analysis and will offer seasoned scholars the most significant critical approaches in class studies **Madness in Black Women's Diasporic**

Fictions Caroline A. Brown, Johanna X. K. Garvey, 2017-11-04 This collection chronicles the strategic uses of madness in works by black women fiction writers from Africa the Caribbean Canada Europe and the United States Moving from an over reliance on the madwoman as a romanticized figure constructed in opposition to the status quo contributors to this volume examine how black women authors use madness trauma mental illness and psychopathology as a refraction of cultural contradictions psychosocial fissures and political tensions of the larger social systems in which their diverse literary works are set through a cultural studies approach The volume is constructed in three sections Revisiting the Archive Reinscribing Its Texts Slavery and Madness as Historical Contestation The Contradictions of Witnessing in Conflict Zones Trauma and Testimony and Novel Form Mythic Space Syncretic Rituals as Healing Balm The novels under review re envision the initial trauma of slavery and imperialism both acknowledging the impact of these events on diasporic populations and expanding the discourse beyond that framework Through madness and healing as sites of psychic return these novels become contemporary parables of cultural resistance

Re-Reading Tragic Africa Amy Rushton, 2024-05-31 Grounded in world systemic analysis this book revisits the literary and social implications of tragedy in relation to global narratives about Africa and within fiction by writers from the continent It argues that working through the full complexity of tragedy helps to identify and challenge plots that depict Africa as reaching a tragic impasse Instead reconsidering tragedy allows for further related interventions including the implications of narratives of development the argument for formally engaging with literary texts that present challenging material reformulations of African political and cultural agency and the possibilities to be found in utopian thinking It claims that contemporary fiction helps to scrutinise the familiar big picture of Africa and create space for discussions about wider political and historical commonalities between the continent and the rest of the world As such the novels discussed in this study are not simply about Africa these fictional narratives position Africa as a central actor within the global history of late capitalism

Stylistic Approaches to Nigerian Fiction D. Tunca, 2014-08-07 Drawing on the discipline of stylistics this book introduces a series of methodological tools and applies them to works by well known Nigerian writers including Abani Adichie and Okri In doing so it demonstrates how attention to form fosters understanding of content in their work as well as in African and postcolonial literatures more widely

Geopolitics and the Anglophone Novel, 1890-2011 John Marx, 2012-04-05 Literary fiction is a powerful cultural tool for criticizing governments and for imagining how better governance and better states would work Combining political theory with strong readings of a vast range of novels John Marx shows that fiction over the long twentieth century has often envisioned good government not in Utopian but in pragmatic terms Early twentieth century novels by Joseph Conrad E M Forster and Rabindrananth Tagore helped forecast world government after European imperialism Twenty first century novelists such as Monica Ali Chimamanda Ngozi Adichie Michael Ondaatje and Amitav Ghosh have inherited that legacy and continue to criticize existing policies in order to formulate best practices on a global scale Marx shows how literature can make an important contribution to political and

social sciences by creating a space to imagine and experiment with social organization *New Perspectives on the Nigeria-Biafra War* Chima J. Korieh, 2021-10-13 *New Perspectives on the Nigeria Biafra War* No Victor No Vanquished analyzes the continued impact of the Nigeria Biafra war on the Igbo the failure of the reconstruction and reconciliation effort in the post war period and the politics of exclusion of the memory of the war in public discourse in Nigeria Furthermore *New Perspectives on the Nigeria Biafra War* explores the resilience of the Igbo people and the different strategies they have employed to preserve the history and memory of Biafra The contributors argue that the war had important consequences for the socio political developments in the post war period ushering in two differing ideologies a paternalistic ideology of co option of the Igbo by the Nigerian state under the false premise of No Victor No Vanquished and the Igbo commitment to self preservation on the other *Conversations with Chimamanda Ngozi Adichie* Daria Tunca, 2020-08-25 Nigerian author Chimamanda Ngozi Adichie b 1977 is undoubtedly one of the most widely acclaimed African writers of the twenty first century Best known for her insightful fiction viral TED talks and essays on feminism she is also an outspoken intellectual As she puts it in an interview with Lia Grainger in her characteristically straightforward style I have things to say and I ll say them *Conversations with Chimamanda Ngozi Adichie* is the first collection of interviews with the writer Covering fifteen years of conversations the interviews start with the publication of Adichie s first novel *Purple Hibiscus* 2003 and end in late 2018 by which time Adichie had become one of the most prominent figures on the international literary scene As both scholars and passionate readers of the author s work are bound to find out the opinions shared by Adichie in interviews over the years coalesce into a fascinating portrait that presents both abiding features and gradual transformations Reflecting the political and emotional scope of Adichie s work the conversations contained in this volume cover a wide range of topics including colonialism race immigration and feminism Collectively these interviews testify both to the author s ardent wish to strive for a more just and equal world and to her deep interest in exploring our common humanity As Adichie says in her 2009 interview with Joshua Jelly Schapiro When people call me a novelist I say well yes I really think of myself as a storyteller This book invites Chimamanda Ngozi Adichie to tell her own literary story
