A Cultural History of Tragedy in the Modern Age Jennifer Wallace, 2021-05-20 In this book leading scholars come together to provide a comprehensive wide ranging overview of tragedy in theatre and other media from 1920 to the present The 20th century is often considered to have witnessed the death of tragedy as a theatrical genre but it was marked by many tragic events and historical catastrophes from two world wars and genocide to the proliferation of nuclear weapons and the anticipation and onset of climate change The authors in this volume wrestle with this paradox and consider the degree to which the definitions forms and media of tragedy were transformed in the modern period and how far the tragic tradition updated in performance still spoke to 20th and 21st century challenges While theater remains the primary focus of investigation in this strikingly illustrated book the essays also cover tragic representation often re mediated fragmented and provocatively questioned in film art and installation photography fiction and creative non fiction documentary reporting political theory and activism Since 24 7 news cycles travel fast and modern crises cross borders and are reported across the globe more swiftly than in previous centuries this volume includes intercultural encounters various forms of hybridity and postcolonial tragic representations Each chapter takes a different theme as its focus forms and media sites of performance and circulation communities of production and consumption philosophy and social theory religion ritual and myth politics of city and nation society and family and gender and sexuality

Transcultural Theater Günther Heeg, 2023-03-31 Transcultural Theater outlines the idea of a transcultural theater as enabling an approximation to and an interaction with the foreign and the alien In consideration of the allure of fundamentalist and populist movements that promote the development and practices of xenophobia worldwide this book

makes a powerful plea for the art of theater as a medium of conviviality with the foreigner that should not be underestimated. This study contributes to transcultural experience, artistic practice, and education in the medium of theater. The book's investigation extends far into space and time and pays particular attention to the relationship between aesthetic experience, artistic practice, and academic representation. This book is for scholars and students as well as for all those working in the cultural field, especially in the field of cultural transfer.

Theory/Theatre Mark Fortier, 2005-07-08 This is a new and enlarged edition of Mark Fortier's very successful and widely used essential text for students. Theory Theatre provides a unique and engaging introduction to literary theory as it relates to theatre and performance. Fortier lucidly examines current theoretical approaches from semiotics, poststructuralism, through cultural materialism, postcolonial studies, and feminist theory. This new edition includes more detailed explanation of key ideas, new putting it into practice sections at the end of each chapter so you can approach performances from specific theoretical perspectives, annotated further reading section, and glossary. Theory Theatre is still the only study of its kind and is invaluable reading for beginning students and scholars of performance studies.

Performance & Consciousness Daniel Meyer-Dinkgrafe, 2018-12-07 This is volume 1, part 4 of the Performing Arts International forum. This collection of essays covers a breadth of topics on the theme of consciousness, addressing the trend of studies trying to put human experience into more concrete, cogent, less poetic and metaphorical terms. Major issues raised by the essays are summarised, and a hypothesis serving as a stimulus for further research and debate is suggested by the volume's conclusion.

Searching for a New German Identity Theresa M. Ganter, 2008 Theresa M. Ganter investigates Heiner Müller's use of the Geschichtsdrama as a tool in his search for post-World War II and post-reunification German identity in Germany. Tod in Berlin 1956, 1971, and Germania 3, Gespenster am Toten Mann 1996, respectively. "All Power to the Imagination!" Sabine Von Dirke, 2016-07 All Power to the Imagination is a history of the counterculture's immensely influential role in West German cultural and political life. Sabine von Dirke opens with an examination of nascent countercultural movements in West Germany during the 1950s. She then moves to a nuanced account of the student movement of the 1960s, describing its adaptation of the theories of Marcuse, Adorno, and Benjamin, then recounting its attack on bourgeois notions of the autonomy of art and culture. She next examines the subsequent development of a radical aesthetic and the effects of left-wing terrorism on Germany's political climate. Later chapters focus on the Tageszeitung, the ecology movement, and the rise of the Green Party. Von Dirke concludes by asking whether the evolution that this book traces from Marxist-influenced critiques of culture and society to more diverse, less doctrinaire left-wing positions represents progress or a betrayal of radical ideals. An ambitious study of the German left, this book is an important contribution to our understanding of postwar European history.
