Languages, Nine Thousand in General Use, Or Most Custom Words, 1841 **Latino Pentecostals in America** Gastón Espinosa, 2014-08-25 This excellent study of the Latino Pentecostal movement is an important resource for understanding the future of Christianity in North America. Every year an estimated 600,000 U.S. Latinos convert from Catholicism to Protestantism, a transformation spearheaded by the Pentecostal movement and Assemblies of God. Latino Assemblies of God leaders and their 2,400 churches across the nation represent a new and growing force in denominational, Evangelical, and presidential politics. In a deeply researched social and cultural history, Gastón Espinosa uncovers the roots and contemporary developments of this remarkable turn. Latino Pentecostals in America traces the Latino AG back more than a century to the Azusa Street Revivals in Los Angeles and Apostolic Faith Revivals in Houston. From 1906 to 1909, Espinosa describes the uphill struggles for indigenous leadership, racial equality, women in the ministry, social and political activism, and immigration reform. Their outspoken commitment to an active faith has led a new generation of leaders to combine the reconciling message of Billy Graham with the social transformation politics of Martin Luther King Jr. This eye-opening study explains why this group of working-class Latinos, once called the Silent Pentecostals, is no more silent. By giving voice to their untold story, Espinosa enriches our understanding of the diversity of Latino religion, Evangelicalism, and American culture.
