Goll, 2007-04-28 Over two hundred and fifty years ago this verse was burned into the hearts of Moravian refugees in the tiny community of Herrnhut in eastern Germany Their commitment to restore the Watch of the Lord through 24 hours of unbroken prayer and intercession continued for more than 100 years God is calling His warriors once again to mount the Watch of the Lord When God's people send up the incense of prayer and worship God will send down supernatural power anointing and acts of intervention Author James W Goll combined with the writings of E M Bounds paints an inspiring picture of prophetic clarity and prayerful urgency that sound God's clarion call to His Church Now is the time to mount the walls with prayer and praise and restore The Lost Art of Intercession *Burned Alive* Gerald R. Loewen, 2018-06-28 The hour is late The call has gone out Who will stand among those who have made themselves ready to be part of the Bride Who are those who are willing to consecrate themselves to pay the price to have the dross of their flesh burned off by the power of the Holy Spirit Who are those who are willing to buy gold refined by fire The inheritance of the Son is the Bride and the Father is resolute that His Son will see the reward of His suffering The Lost Art of Healing Bernard Lown, 1999-02-02 The real crisis in medicine today is not about economics insurance or managed care it's about the loss of the fundamental human relationship between doctor and patient In this wise and passionate book one of our most eminent physicians reacquaints us with a classic notion often overlooked in modern medicine health care with a human face in which the time honored art of healing guides doctors in their approach to patient care and their use of medical technology Drawing on four decades of practice as a cardiologist and a vast knowledge of literature and medical history Dr Lown probes the heart and soul of the doctor patient relationship Insightful and accessible to all The Lost Art of Healing describes how true healers use sympathetic listening and touch to hone their diagnostic skills how language affects the perception of illness how doctors and patients can cultivate a relationship of trust and how patients can obtain the most complete and beneficial care through a combination of healing techniques and conventional practices As Dr Lown explains the art of healing does not mean abandoning the spectacular advances of modern science but rather incorporating them into a sensitive humane enlightened approach to medical care With its urgent message and poignant fascinating vignettes The Lost Art of Healing is a book of vital universal importance *The Lost Art of Intercession* Jim W. praying and moves them from the natural to the supernatural Empowered by God the intercessor has the authority to cut down enemy forces and pick out targets for God s lightning bolts of glory bringing victory and breakthrough Intercession could be called extreme prayer because it links extreme needs with the extraordinary power of God Inserting ourselves into the gap between God and a need we call upon the Holy Spirit our Helper who is ready to move us from finite ability to infinite ability take hold of difficult situations and help accomplish the will of God We have the great honor of being called to paint targets on cities churches ministries family members contemporary Sauls those who persecute or cause difficulty and even ourselves Our believing persistent prayers will Strike the Mark He covers His hands with the lightning and commands it to strike the mark Job 36 32 NASB **The Seer Expanded Edition** James W.
