Teaching Dialogue Interpreting Letizia Cirillo,Natacha Niemants,2017-10-15 Teaching Dialogue Interpreting is one of the very few book length contributions that cross the research to training boundary in dialogue interpreting The volume is innovative in at least three ways First it brings together experts working in areas as diverse as business interpreting court interpreting medical interpreting and interpreting for the media who represent a wide range of theoretical and methodological approaches Second it addresses instructors and course designers in higher education but may also be used for refresher courses and or retraining of in service interpreters and bilingual staff Third and most important it provides a set of resources which while research driven are also readily usable in

the classroom either together or separately depending on specific training needs and or research interests The collection thus makes a significant contribution in curriculum design for interpreter education

Motivation to Learn Multiple Languages in Japan Chika Takahashi,2022-11-22 This book provides rare insights into motivation among extremely successful learners of English and languages other than English LOTEs through the analysis of a longitudinal study and the examination of the factors involved in becoming multilingual in a non multilingual environment Based on sixteen interview sessions conducted over the course of nine years while the learners progressed from high school to the world of work this book offers the story of how two learners persist in English LOTE learning The study illuminates the long term processes through which the interviewees develop ideal English LOTE selves in an environment where multilingualism is not emphasized and where both English and LOTEs can still be described as foreign languages Educators and researchers will learn from this study which stretches our understanding of motivation beyond the recent theorizing of L2 motivation and contributes to the limited research in long term motivational trajectories and LOTE learning motivation which is particularly scarce in non European contexts The book will be of interest not only to readers in Japan but also to those in other contexts as it offers an example of successful learners who go beyond the pragmatic and instrumentalist view of language learning to hold a more holistic view thus revealing the factors which can sustain multiple language learning even in foreign language contexts
