**A Handbook of Politics for 1868 [to 1894]** Edward McPherson,1872     **Blind Ambition** Ever Lee Hairston,2015-06-30 As a child Ever Lee Hairston faced one disappointment after the other A product of share cropping parents and raised on one of the biggest plantations in the South Ever allowed those disappointments to diminish her self confidence and sully her self esteem Not to mention that for years the young Ever hid a terrible secret which she hadn t told anyone not her family her friends her teachers and as she got older even her employers Ever Lee didn t want to accept that she was slowly losing her eyesight As darkness began to envelop her and inspired by the words of Dr Martin Luther King Jr Ever eventually decided to stop feeling sorry for herself and face her fears Through two turbulent marriages a host of setbacks and a life that was getting harder and harder to manage Ever encountered defeats but was determined not to be defeated Now decades after she lost her eyesight her powerful story is one of inspiration and ambition and helping others realize their lives have purpose as they reach their full potential in spite of any obstacles in their paths     **Government Job Finder, 1997-2000** Daniel Lauber,1997 Featured in the fall 1996 issue of Cosmopolitan s Life After College this resource presents the scoop on more than 1 800 openings for the 17 million jobs in local state and federal government in the U S and abroad Also includes information on Internet and other online job databases 90 illustrations     **The Civil Service Record** ,1888     **Selective Justice My Legacy** Roy Chauvin,2023-09-07 Throughout life most people have to struggle with making decisions These decisions not only involve the individual making the decision but also his family and in some cases the public The life of a law enforcement officer involves all three This burden is often stressful taxing one s conscience to the breaking point The individual has to rely on his family background and values instilled in him throughout his life A strong faith driving the belief that all has to be fair and honest is viewed as an idealistic approach in which everyone strives toward in making these decisions To truly adopt this fairness honesty and justice philosophy in your life s decisions is extremely difficult in today s world The tug of war of emotions pulls at one s conscience to make the right decision Many choose to prostitute their convictions for their jobs money status and power rationalizing their decisions for personal gain leaving humanity in ashes As a law enforcement officer his daily decisions directly affect his fellow man This burden is self inflicted by the individual to do the right thing or to go along with the good old boy attitude The latter accomplishes nothing and is actually looked down upon by the honest public The people truly want someone they can trust to carry out this honesty and justice philosophy however the public has no clue about the sacrifices one has to make in order to achieve these goals For one to fulfill his mission of striving for fairness and honesty he has to be a slave of his convictions At seventy three the winter of my life I often question my life s path However not only can I not change it nor would I want to I still encounter those negative people

who condemned me for my stand for justice There is nothing I can say to change their minds which embraces corruption as a badge of honor rather than dishonor The silent majority hang their heads in disgust not realizing they have the power to change if they just stand up and fight The reader of the book must evaluate whether or not the main character of the book was in fact dedicated to his convictions By infusing the Diary of Corruption into the book poses to the reader a decision making process in which he decides whether the diary is proof that corruption exists or this is just the way it is and no one can change these practices The actual diaries represent twenty seven years of entries documenting the author s daily life in law enforcement The author of this book does not seek the approval of his life s path but rather poses the question What would you do if you were in his shoes Walk the walk and talk the talk or be silent because it is too costly Fairness Honesty Justice for all I hope 1 1      *In My Lifetime* Herbert Smith, 2014-10-25 Herbert Smith a six foot two inch 180 pound blue eyed hunk arrived at the small Pasadena Police Department at the age of 26 Married Nettie Grace a beautiful young lady and the parents of their first child a boy they were the envy of the older officers already employed there He exploded on the scene with a perfect score on his Civil Service Test and proved his proficiency with his sidearm by becoming one of the top shooters in his academy Working the streets on patrol Herbert was always on the cutting edge of the action On more than one occasion he confronted disarmed and arrested dangerous felons who were threats to himself the citizens and his fellow officers His 28 year career saw him advance through the ranks to Captain of Police He graduated from the Institute of Applied Science studying criminal identification methods As a captain he graduated from the FBI National Academy the 93rd Session Herbert was a sidearm competitor participating in many Police pistol matches including the National Police Pistol Matches As an honorable retired police officer Herbert qualifies annually to carry a concealed handgun Herbert is very active in his church and serves as a Deacon
