# Love Arrives in Pieces

The umbrella was for anyone who  
ever feared the rain....

For those who needed to stomp  
in the puddles and splash,

To own the rain rather than  
let it own them.

**Love Arrives in Pieces** Betsy St. Amant, 2016-09-27 Former pageant queen Stella Varland doesn't trust beauty anymore after her divorce. Her appearance betrayed her and led to brokenness so instead of being beautiful now she tries to make beautiful things but she always falls short. If she doesn't get another job soon she'll be stuck living with her parents. Contractor Chase Taylor is determined to live a life of no regrets after losing his fiancée. Now he lives life at full speed striving to see how much he can accomplish. He knows if he slows down he'll fall apart. So he returns home to Bayou Bend to renovate the town's old theater and is shocked to discover that the designer for the project is his old flame Stella. Adapted from page 4 cover.

Close to You Kara Isaac, 2016-04-26 Allison Shire tries to recover from the breakup of her marriage by guiding tours through New Zealand of sites from *The Lord of the Rings* and *The Hobbit* films where she meets Jackson Gregory who also went through a disastrous breakup.

**Can't Help Falling** Kara Isaac, 2016-10-11 A funny heartfelt romance about how an antique shop, a wardrobe, and a mysterious tea cup bring two C. S. Lewis fans together in a snowy and picturesque Oxford, England. Emelia Mason has spent her career finding the dirt on the rich and famous. But deep down past this fearless tabloid reporter facade there's a nerdy Narnia-obsessed girl who still can't resist climbing into wardrobes to check for the magical land on the other side. When a story she writes produces tragic results she flees to Oxford, England home to C. S. Lewis to try and make amends for the damage she has caused. Peter Carlisle was on his way to become one of Great Britain's best rowers until he injured his shoulder and lost his chance at glory. He's determined to fight his way back to the top even if it means risking permanent disability to do so. It's the only way he can find his way past failing the one person who never stopped believing in his Olympic dream. When Peter and Emelia cross paths on her first night in Oxford the attraction is instant and they find common ground in their shared love of Narnia. But can the lessons from a fantasyland be enough to hold them together when secrets of the real world threaten to tear them apart. Cobblestone streets, an aristocratic estate, and an antique shop with curious wardrobes bring the world of Narnia to life in Kara Isaac's inspiring and romantic story about second chances.

The Lost Girl of Astor Street Stephanie Morrill, 2017-02-07 When her best friend vanishes without so much as a good-bye, eighteen-year-old Piper Sail takes on the role of amateur sleuth in an attempt to solve the mystery of Lydia's disappearance. Given that Piper's tendency has always been to butt heads with high society's expectations of her, it's no surprise that she doesn't give a second thought to searching for answers to Lydia's abduction from their privileged neighborhood. As Piper discovers that those answers might stem from the corruption strangling 1924 Chicago and quite possibly lead back to the doors of her affluent neighborhood, she must decide how deep she's willing to dig, how much she should reveal, and if she's willing to risk her life of privilege for the sake of the truth. Perfect for fans of Libba Bray and Anna Godbersen, Stephanie Morrill's atmospheric jazz-age mystery will take readers from the glitzy homes of the elite to the dark underbelly of 1920s Chicago.

Lilla Crisafulli, Tilottama Rajan, Diego Saglia, 2013-10-31 The volume explores the interrelated topics of transnational identity in all its ambiguity and complexity and the new ways of imagining community or Gemeinschaft as distinct from society or Gesellschaft that this broader climate made possible in the Romantic period The period crystallized even if it did not inaugurate an unprecedented interest in travel and exploration as well as in the dissemination of the knowledge thus acquired through print media and learned societies This dissemination expanded but also unmoored both epistemic and national boundaries It thus led to what Antoine Berman in his study of translation tellingly calls the experience of the foreign as a zone of differences between and within selves of which translation was the material expression and symptom As several essays in the collection suggest it is this mental travel that distinguishes the Romantic probing of transitional zones from that of earlier periods when travel and exploration were more purely under the sign of trade and commerce and thus of appropriation and colonization The renegotiation of national and cultural boundaries also raises the question of what kinds of community are possible in this environment A group of essays therefore explores the period's alternative communities and the ways in which it tested the limits of the very concept of community Finally the volume also explores the interrelationship between notions of identity and community by turning to Romantic theatre Concentrating on the stage as monitor and mirror of contemporary ideological developments a dedicated section of this book looks at the evolution of the tragic in European Romanticisms and how its inherent conflicts became vehicles for contrasting representations of individual and communal identities This book was published as a special issue of *European Romantic Review*      *The Bat-Chen Diaries* Bat-Chen Shahak, 2014-01-01 In 1996 on her 15th birthday Bat Chen Shahak was killed by a suicide bomber in Tel Aviv's Dizengoff Center But the gifted teenager left behind a rich legacy of diaries letters poems and drawings Following her death her
