Love Power And Justice Ontological Analyses And Ethical Applications Galaxy Books:

Love, Power, and Justice Paul Tillich, 1954 Speaking with understanding and force Tillich offers a basic analysis of love power justice and all concepts fundamental in the mutual relations of people of social groups and of humankind to God His concern is to penetrate to the essential or ontological foundation of the meaning of each of these words **Love, Power and Justice** Paul Tillich, 1954 **Love, Power, and Justice** Paul Johannes Oskar Tillich, 1976 *Love, Power, and Justice* Paul Tillich, 1960 **An Alternative Vision** Roger Haight SJ, 2014-12-01 An Alternative Vision An Interpretation of Liberation Theology offers a complete overview of the liberation theology movement that is ideally suited for a thorough study of the major questions and important theologians that have contributed to the debate It outlines and brings together into a single unified account liberation theology's alternate vision for providing the possibility of meaningful historical existence for humans in the world today The author translates the Christian vision of liberation theologians from Latin America into more general theological and cultural categories familiar to the English speaking world then shows how that vision makes a unified interpretation of Christian doctrine First liberation theology must be seen as a response to massive human suffering witnessed throughout the world today This human agony is largely caused by human beings and the social and political structures we create and liberation theology addresses this dilemma using the tradition of Christian wisdom and direct imperatives that have universal transcultural significance The second goal is achieved by showing the connection between liberation principles and the major doctrines of Christian belief including God Jesus Christ faith grace the church sacraments ministry and spirituality *Beyond God the Father* Mary Daly, 2015-12-08 Certainly one of the most promising theological statements of our time The Christian Century Not for the timid this brilliant book calls for nothing short of the overthrow of patriarchy itself The Village Voice **Jesus Christ for Contemporary Life** Don Schweitzer, 2012-02-13 Jesus Christ for Contemporary Life is an understanding of Jesus as the Word of God grounded in what can be known historically of Jesus and informed by subsequent reflection upon him which hopes to help shape a Christian identity characterized by bounded openness In Jesus Christ for Contemporary Life Don Schweitzer explores the significance of the person work and relationships of Jesus Christ for contemporary life He moves from the historical Jesus to the present in three parts In the first part Schweitzer develops an understanding of Jesus as the Word of God who became incarnate to give the goodness and beauty of God further expression in time and space Second he explores how various atonement theories articulate ways in which Jesus empowers people to further express this beauty and goodness in their own lives And finally Schweitzer explores how Jesus relates to people in the church to the events and movements in history to other religions and to Christians in their dialogue with God in prayer **The Paperback Apocalypse** Robert M. Price, 2011-04-26 The great popularity of the Left Behind novels attests to the strong appeal of apocalyptic beliefs in many conservative Christian communities Biblical scholar Price traces the origin and scriptural basis for such beliefs as the Rapture the Second Coming the Antichrist and Messianic

prophecy and explains the popularity of the books Christian Conversion Walter E. Conn, 2006-07-01 Walter Conn has provided us with something we have needed for a long time a scholarly study of Christian conversion that draws synthetically from present day psychology philosophy and theology and uses these insights to analyze actual Christian religious experience And in doing that Conn has produced what is probably the best treatment to date of foundational moral theology To follow Conn through the pages of this volume is to become acquainted with most of today's important reflection on human moral and personal development But one emerges with much more than relevant information about what is being said Conn's own view of conversion goes beyond the thinkers from whom he draws and provides a basic challenge to and enrichment of our understanding of faith and morality Bernard Cooke Holy Cross College Walter E Conn is Professor of Theology and Religious Studies at Villanova University He is also the editor of Horizons journal of the College Theology Society **The Journal of Philosophy**, 1962 The Journal of Religion, 1982 Includes section Book reviews *Love, power, justice* Paul Tillich, 1960
