Coffin, 2020-09-15 When Judith G Coffin discovered a virtually unexplored treasure trove of letters to Simone de Beauvoir from Beauvoir's international readers it inspired Coffin to explore the intimate bond between the famed author and her reading public This correspondence at the heart of Sex Love and Letters immerses us in the tumultuous decades from the late 1940s to the 1970s from the painful aftermath of World War II to the horror and shame of French colonial brutality in Algeria and through the dilemmas and exhilarations of the early gay liberation and feminist movements The letters also provide a glimpse into the power of reading and the power of readers to seduce their favorite authors The relationship between Beauvoir and her audience proved especially long intimate and vexed Coffin traces this relationship from the publication of Beauvoir's acclaimed *The Second Sex* to the release of the last volume of her memoirs offering an unfamiliar perspective on one of the most magnetic and polarizing philosophers of the twentieth century Along the way we meet many of the greatest writers of Beauvoir's generation Hannah Arendt Dominique Aury author of *The Story of O* Fran ois Mauriac winner of the Nobel Prize and nemesis of Albert Camus Betty Friedan and of course Jean Paul Sartre bringing the electrically charged salon experience to life Sex Love and Letters lays bare the private lives and political emotions of the letter writers and of Beauvoir herself Her readers did not simply pen fan letters but as Coffin shows engaged in a dialogue that revealed intellectual and literary life to be a joint and collaborative production This must happen to you often doesn't it wrote one That
