appearance in contemporary material culture *There Was a Woman* delves into the intriguing transformations of this provocative icon From *La Llorona* s roots in legend to the revisions of her story and her exaltation as a symbol of resistance Domino Renee Perez illuminates her many permutations as seductress hag demon or pitiful woman Perez draws on more than two hundred artifacts to provide vivid representations of the ways in which these perceived identities are woven from abstract notions such as morality or nationalism and from concrete often misunderstood concepts from advertising to television and literature The result is a rich and intricate survey of a powerful figure who continues to be reconfigured
