No Reason for Goodbyes Chassie West, 2011-02-04

No Reason for Goodbyes: Messages from Beyond Life is a compilation of over one hundred instances of messages or contacts from the departed submitted by the men and women who experienced them. Contributors from the United States, Canada, the United Kingdom, and as far away as Australia. There is Colleen who during the Arlington National Cemetery memorial service for her father, a veteran of World War II, saw him standing tall and erect in the distance for the playing of the Marine Corps Hymn. And Jacki who, as she knelt to pray the Rosary before bedtime, felt a presence beside her and heard the voice of her late father: "Teach me how to say it." And Tyler's sister Robyn, who died in infancy, sending a message during a television show that she liked the new athletic shoes he'd just bought. Incidents such as these leave no doubt of the continuation of life beyond physical death and the assurance that our loved ones remain with us still. Transcripts and detailed messages from the departed, courtesy of well-known psychic mediums during group and one-on-one readings, offer further proof of continued life after death. And from Patti Sinclair, a professional psychic medium, along with Dr. Bhrett McCabe, a licensed clinical psychologist, and his mother Mary Jo McCabe, a professional psychic intuitive, we are given sage advice for those among us who are skeptical or grieving. *No Reason for Goodbyes* strongly suggests that we rethink everything we have believed about the finality of death. It confirms that those who have departed from our physical world can and do reach out and touch in some cases quite literally, and that love is indeed eternal. If there was ever a time for a paradigm shift about the way we view death, that time is now.

Dreams of Brandon Gale Henderson, 2024-07-13

Death and grief are inextricably connected and are difficult subjects to navigate. Both are part of the human condition and are inevitable. We all will die. However, the magnitude of this grief is beyond description and not easily reconcilable when children are called from this life before their parents. How do we respond? What do we do with our grief? Where is God amid our pain? How do we keep it together for our surviving children? So many questions. But only one answer. The author found solace in God's Word when this tragedy was unexpectedly visited upon her and her family. This book seeks to console grieving parents and those who love them when their children have made life's final transition. More importantly, this book gives the author's account of God's healing power through dreams of her child to propel her toward recovery and free her from the debilitating grip of grief due to her child's untimely death. She addresses this issue from a mother's prospect of the death of a child. It explores her thought process and other range of emotions that are experienced when a child dies and we seek God for answers. The word of God is the focus of this book in the wake of tragedy and explores one of the many tools God uses to communicate with humanity. *Dreams* This is a story of restoration and renewal. Hope in God's promises and an enduring love.
