Lovers of the Place Francis Kline, 2012 Originally published Collegeville Minn Liturgical Press c1997 With new foreword

Lovers of the Place Francis Kline, 2012-05-01 In *Lovers of the Place* Abbot Francis Kline provided a fresh vision of the monastic life as one form of the Christian vocation that must find its place alongside other expressions of Christian life. He firmly believed that as monasticism renews itself for the church it will in turn renew the church. Kline invites all the baptized to a participation in the monastic charism loose in the church at large. Francis Kline OCSO was the third abbot of Mepkin Abbey, a Cistercian Trappist monastery near Charleston, South Carolina, until his death in 2006. He studied at The Julliard School in New York and at Sant Anselmo in Rome.

*Reaching for God* Roberta Werner, 2013 *Reaching for God* is a compendium of Benedictine life and prayer for oblates. It brings together in one volume the essence of Benedictine spirituality, its history, its relevance through the ages and in the present, and a summary of the most fundamental gifts and values it offers for living a meaningful life. Here the meaning and purpose of the oblate way of life is explained in a clear and encouraging way. Werner offers guidance and examples of prayer to enrich any spiritual life. Sister Roberta Werner OSB, having worked as a teacher, caregiver, and educational administrator, is now the assistant oblate director at St. Benedict's Monastery in St. Joseph, Minnesota. In this role, she guides an oblate discussion group, contributes to oblate newsletter publications, has set up an oblate library, and makes the spiritual journey with the many oblates who connect with her and with the monastery in their search for God.

*This Monastic Moment* John De Gruchy, 2023-09-28 Kairos is used in the New Testament to signify a pivotal moment in history, a critical time of judgement and opportunity where chaos must be faced and one must change their ways before it becomes irreparable. Confronted by the Covid 19 pandemic and mandatory isolation, John de Gruchy felt a similar need to adapt and respond. In doing so, he found a deepening in his desire for authentic humanity, genuine community, and the opportunity to affirm his conviction that true humanity is rooted in God, wisdom, and the struggle for justice.

**This Monastic Moment** John W. de Gruchy, 2021-10-30 Kairos refers to moments in chronological time when all hell is breaking loose and we are called to change our ways before we are dragged into the abyss. Kairos is apocalyptic time, and it is here and now. Such is the time in which we need to listen again to St. Benedict of Nursia. Far too many of us Christians have either been seduced by the false values of the age and the spirit of Christian triumphalism or else have been attracted to gnostic forms of spirituality that provide a means of escape from reality and responsibility. Any delay in responding to this kairos moment increases the danger that we fail to change our ways and grasp the opportunity God gives us to receive the coming kingdom in greater fullness now. So St. Benedict, a thousand years ago, he wrote his Rule continues to tell us to listen, wake up, and run while there is still light. This is a time for both contemplation and action, prayer

and doing justice a time for mystics and prophets to join hands and hearts for the sake of the world From the Prologue

*Monastic Perspectives on Temporality* Riitta Hujanen,2023-08-07 In this book Riitta Hujanen explores temporality in the context of Catholic enclosed contemplative traditions It investigates based on literature and other sources what enclosed contemplatives might say about temporality through their monastic journeys What makes a young person decide to dedicate their life inside a cloister Do contemplatives have a preference for eternity over temporal time How does the enclosed contemplative life impact one's concept of time How is time perceived towards the end of one's monastic journey What is seen when looking back to the years in the enclosed contemplative life What is experienced at the hour of death The answers to these questions illustrate a paradoxical dynamic in monastic journeys that cover a broad historical scope from the earliest monastic writers to contemporary sources

**Reclaiming Humility** Jane Foulcher,2015-03-31 Does humility have a place in contemporary life Were Enlightenment thinkers wrong to reject humility as a monkish virtue Hume arising from a slave morality Nietzsche Australian theologian Jane Foulcher recovers the counter cultural reading of humility that marked early Christianity and examines its trajectory at key junctures in the development of Western monasticism Humility emerges not as a moral virtue achieved by human effort but as a way opened by grace as a divine climate Christian de Cherg that we are invited to inhabit From fourth century Egypt to twentieth century Algeria via Saint Benedict and Saint Bernard of Clairvaux Dr Foulcher's compelling analysis of theology and practice challenges the church to reclaim Christian humility as essential to its life and witness today
