

A wooden pier extends from the foreground into the ocean, leading the eye towards the horizon. The sky is a mix of orange, yellow, and blue, suggesting a sunset or sunrise. The water is dark with some white foam from waves breaking near the pier.

Loves Immensity Mystics On The Endless Life:

Love's Immensity, 2007 A selection of luminous texts from early mystical fathers and mothers whose words are considered inexhaustible generative powers unites in their common claim that Love is the most compelling name of God 10 000 ad promo **Endless Life** Scott Cairns, 2014-02-01 First published in hardcover as Love s Immensity this powerful book of selections from the mystics East and West rendered into poetry is now available in paperback for the first time *Endless Life* Scott Cairns, 2014-03-01 First published in hardcover as Love s Immensity this powerful book of selections from the mystics East and West rendered into poetry is now available in paperback for the first time Costly Love John H. Armstrong, 2018-06-30 John Armstrong knows from personal experience how easy it is to put too much emphasis on correct teaching in our experience of church and how easily we lose sight of the love on which Christ built his church when we do so In Costly Love Armstrong acknowledges the importance of doctrine and theological discussion in the church but he urges Christians to focus first on whether we are following Jesus new commandment to love as he loved Our actions of love will begin to bring us closer to unity with one another and with God *Imagination and the Journey of Faith* Sandra M. Levy, 2008-09-05 This book will speak to all readers whether religious believers or not who wish to strengthen and deepen the imaginative power of their spiritual lives **The Illumined Heart** Frederica Mathewes-Green, 2007-07-01 Why are modern Christians so indistinguishable from everyone else How come Christians who lived in times of bloody persecution were so heroic while we who live in safety are not How could the first Christians fast valiantly but we feel deprived without dessert How did New Testament believers pray without ceasing How could the early Christian martyrs actually forgive their torturers What did the Christians of the first centuries know that we don t That s what this book is about The End of Suffering Scott Cairns, 2009-11-01 The extreme greatness of Christianity lies in the fact that it does not seek a supernatural remedy for suffering but a supernatural use for it Simone Weil Like most people I too have been blindsided by personal grief now and again over the years And I have an increasingly keen sense that wherever I am someone nearby is suffering now For that reason I lately have settled in to mull the matter over gathering my troubled wits to undertake a difficult essay more like what we used to call an essay really an earnest inquiry I am thinking of it just now as a study in suffering by which I hope to find some sense in affliction hoping just as I have come to hope about experience in general to make something of it from the book Is there meaning in our afflictions With the thoughtfulness of a pilgrim and the prose of a poet Scott Cairns takes us on a soul baring journey through the puzzlement of our afflictions Probing ancient Christian wisdom for revelation in his own pain Cairns challenges us toward a radical revision of the full meaning and breadth of human suffering Clear eyed and unsparingly honest this new addition to the literature of suffering is reminiscent of The Year of Magical Thinking as well as the works of C S Lewis Cairns points us toward hope in the seasons of our afflictions because in those trials in our lives that we do not choose but press through a stillness a calm and a hope become available to us **An Altar in the World** Barbara

Brown Taylor,2017-03-31 In this highly acclaimed and lyrical modern classic bestselling author Barbara Brown Taylor reveals the countless ways we can discover divine depths in the small things we do and see every day While people will often go to extraordinary lengths in search of a spiritual experience she shows that the stuff of our everyday lives is a holy ground where we can encounter God at every turn For her as for Jacob in the Genesis story even barren empty deserts can become the house of God and the gate of heaven places where a ladder of angels connects heaven to earth and earth to heaven An Altar in the World reveals concrete ways to discover the sacred in such ordinary occurrences as hanging out the washing doing the supermarket shop feeding an animal or losing our way It will transform our understanding of ourselves and the world we live in and renew our sense of wonder at the extraordinary gift of life *The Open Door* Frederica Matthewes-Green,2008-05-01

the Church's traditions, mysteries and religious beliefs and its hold on those who follow the tradition. As he explains, Catholic spirituality is all about responding to the fundamental mystery of Jesus, the incarnation, and what it all meant in the beginning as well as what it means today. In *Almost Catholic*, Sweeney offers an appreciation of Catholicism weaving in the story of his own explorations with those of others who have also been attracted to this tradition. He finds himself drawn to the Church's ancient and medieval traditions out of a desire to connect with the deepest and widest paths on the way. Two millennia of saints and practices and teachings and mystery form a connection for him to the very beginnings of Christianity.

The Poets and the Fathers Timothy E. G. Bartel, 2024-01-19 Christian poetry was born at the crossroads of the Greek, Hebrew, Roman, and Syrian cultures of late antiquity. Pioneered by poets like Ephrem the Syrian, Gregory Nazianzus, and Prudentius, a uniquely Christian poetry and poetics has flourished across history into the twenty-first century. In this series of essays, poet and literary scholar Timothy E. G. Bartel explores the often overlooked genesis of Christian poetry in the fourth century AD, with a special emphasis on the poetics and cultural theological vision of St. Gregory Nazianzus. Bartel then traces the influence of the inventors of Christian poetry to poets of more recent centuries, including Elizabeth Barrett Browning, Henry Wadsworth Longfellow, T. S. Eliot, C. S. Lewis, and Scott Cairns. It is in these poets of the last three centuries that we see the continual outworking of the ancient Christian poetic project and a blueprint for the future of a literature that continues to learn from the church fathers and the theological traditions of Christianity.

A More Christlike God Bradley Jersak, 2015-09-01 Whether our notions of God are personal projections or inherited traditions, author and theologian Brad Jersak proposes a radical reassessment, arguing for a More Christlike God, a More Beautiful Gospel. If Christ is the image of the invisible God, the radiance of God's glory and exact representation of God's likeness, what if we conceived of God as completely Christlike, the perfect Incarnation of self-giving, radically forgiving, co-suffering love? What if God has always been and forever will be cruciform, cross-shaped in his character and actions? A More Christlike God suggests that such a God would be very good news indeed: a God who Jesus unwrathed from dead religion, a Love that is always toward us, and a Grace that pours into this suffering world through willing human partners.

Passwords Primeval Tony Leuzzi, 2012-10-16 *Passwords Primeval* sets aside the artificial boundaries of poetry schools and movements to cut to the art of the matter. Tony Leuzzi's astounding knowledge of poetry draws new insights from such luminaries as Billy Collins, Gerald Stern, Jane Hirshfield, Patricia Smith, and Martín Espada. These new interviews provide insights into the poets and their poems without losing any of their mystery. Whether you're looking for deeper understanding of your favorite poets or simply interested in the lives of contemporary artists, *Passwords Primeval* reveals the interconnectedness of these masters whose voices echo each other from opposite ends of the same canyon.

Sell, 2014-08-15 How is it that some texts achieve the status of literature Partly at least because the relationship they allow between their writers and the people who respond to them is fundamentally egalitarian This is the insight explored by members of the bo literary communication network who in this new book develop fresh approaches to literary works of widely varied provenance The authors examined have written in Ancient Greek T ng Dynasty Chinese Middle Modern and Contemporary English German Romanian Polish Russian and Hebrew But each and every one of them is shown as having offered their human fellows something which despite some striking appearances to the contrary amounts to a welcoming invitation This their audiences have then been able to negotiate in a spirit of dialogical interchange Part I of the book poses the question How in offering their invitation have writers respected their audiences human autonomy This is the province of what bo scholars call communicational criticism Part II asks how an audience negotiating a literary invitation can be encouraged to respect the human autonomy of the writer who has offered it In bo parlance such encouragement is the task of mediating criticism These two modes of criticism naturally complement each other and in their shared concern for communicational ethics ultimately seek to further a post postmodern world that would be global without being hegemonic
