

A romantic couple is shown in a close embrace on a balcony. The man, with a beard and dark hair, is wearing a light blue shirt. The woman, with long blonde hair, is wearing a dark jacket. They are both smiling and looking at each other. The background shows a blurred view of a city or town from a high vantage point.

**I love you, in ways you've
never been loved,
for reasons you've never
been told, for longer than
you think you deserved
and with more than you
will ever know existed
inside me.**

The New Model of Love Charles Lim Wu, 2018-05-11 Throughout history we've been conditioned by society media education and family to believe we need love to be happy In *The New Model of Love* author Charles Lim Wu examines and challenges this tightly held and deep seated belief He shows how love has evolved throughout the years and discusses the importance of realizing and accepting these changes to positively move forward Wu looks at and redefines love He explores the origins of the old model of love and tells how it no longer serves us to remain within its confines *The New Model of Love* discusses how it can be daunting to confront the old model but once that fear is conquered you'll be free to love as you've never loved before Once you accept the new model you'll find freedom in love and liberation from the shackles of needing love from others You'll stop seeking love and start creating it for yourself Using his personal experiences and discoveries as a backdrop Wu offers an opportunity to experience abundant joy and happiness in all your relationships with the goal of naturally and freely experiencing infinite love
