Ghost Story Nadia Vires, 2023-05-17 I still order your favorite coffee when my fingers are blue And I still recommend your favorite movie to people who are lonely on a Friday night But I don't dream about you anymore My days are still sprinkled with tiny pieces of you and all the memories we won't make But my nights are mine again I think of you often but I never see your face in my dreams and that feels like healing Navigating our way through relationships in all forms can be thrilling and gratifying or heartbreaking and challenging and can prompt many emotions to rise to the surface In a collection of poems divided into four sections Nadia Vires lyrically tells a story of heartbreak grief love and hope As she leads others through the unique phases of love and encourages self reflection on the process of falling in and out of love Nadia's poems explore the experiences of being left abandoned cherished and hopeful as well as death depression sexuality and femininity

Blue Note Preaching in a Post-Soul World Otis Moss III, 2015-11-10 Can preaching recover a Blues sensibility and dare speak with authority in the midst of tragedy America is living stormy Monday but the pulpit is preaching happy Sunday The world is experiencing the Blues and pulpiteers are dispensing excessive doses of non prescribed prosaic sermons with severe ecclesiastical and theological side effects from chapter 1 Uniquely gifted preacher Otis Moss III helps preachers effectively communicate hope in a desperate and difficult world in this new work based on his 2014 Yale Lyman Beecher Lectures Moss challenges preachers to preach with a Blue Note sensibility which speaks directly to the tragedies faced by their congregants without falling into despair He then offers four powerful sermons that illustrate his Blue Note preaching style In them Moss beautifully and passionately brings to life biblical characters that speak to today's pressing issues including race discrimination and police brutality while maintaining a strong message of hope Moss shows how preachers can teach their congregations to resist letting the darkness find its way into them and instead learn to dance in the dark
