- **Sepoy** - Indian soldiers who were employed in the East India Company's army
- **"Jewel in the crown"** - India was considered to be the most valuable of all of Britain's colonies, because of its supply of raw material and 300-million (population) wide market for British goods.

From there, the rebellion spread throughout northern and Central India, and it took the East India Company more than a year and British troops to regain control of the country.
- **Raj** - refers to the part of India that was under British rule from 1757 until 1947
