Kruse, 1987 Kruse's work on 2 Corinthians is part of the Tyndale Bible Commentaries a popular series designed to help the general Bible reader understand clearly what the text actually says and what it means with a minimum of reliance on scholarly technicalities      Celibacy Heinz-Jürgen Vogels, 1993 The Catholic Church is at present tearing itself to pieces over the issue of the law of clerical celibacy It might seem to some only a marginal or administrative problem but it in fact goes to the heart of the matter on every side of modern church life It is of course first of all an issue of sexuality originall deriving from a beleife that all sex produces moral impurity But it has gone on to become an issue about power about pastoral care and about sheer honesty The publication in English of Vogel's scholaraly study of the subject is immensely to be welcomed from the Foreword by Adrien Hastings      Jesus - God and Man, 1982-12-01 One of the most influential twentieth century studies on the doctrine of Christ this highly acclaimed work demonstrates Pannenberg's belief that at the heart of every Christian theology lies its teaching about Jesus Christ The second edition available for the first time in paperback contains an Afterword in which the author reviews other theologians responses to his thesis and methodology and shows the progression of his own interpretation      Paul's Offer of Leniency (2 Cor 10:1) Donald Dale Walker, 2002 Originally presented as the author's thesis Ph D University of Chicago 1998      The Church in the Wilderness Carla Swafford Works, 2014 Much attention has been devoted to Paul's quotations from the Old Testament but little attention has been given to Paul's use of biblical narratives The most extensive use of scripture in 1 Corinthians involves an allusion to Israel's exodus 10 1 22 which contains only one quotation 1 Cor 10 7 Since there is much debate on how to identify scriptural allusions Carla Works examines two passages where there is overwhelming scholarly consensus regarding the presence of exodus imagery 1 Corinthians 5 6 8 and 10 1 22 These passages therefore provide an ideal place to consider how Paul is using Israel's exodus traditions to instruct a predominantly non Jewish congregation The author argues that the exodus tradition a tradition used to bolster Israel's identity and to teach Israel about the identity of God is reinterpreted by Paul in light of Christ and is employed to foster the identity formation of the Corinthians as the church of one God and one Lord 1 Cor 8 6      **Die Bibel bei den Manichäern und verwandte Studien von Alexander Böhlig**† Peter Nagel, Siegfried Richter, 2012-12-03 The Manichaen religion which was founded by Mani in the 3rd century AD adapted various elements from mainstream Christianity For this reason the relationship between the texts of the two religions remains a lively topic of research today This volume contains the until now unpublished dissertation and three further articles of Alexander Böhlig 1912-1996 who was one of the leading scholars in Manichaean studies In the introduction Peter Nagel offers a biography detailing Böhlig's academic pursuits The main part of the book reproduces the revised dissertation *Die Bibel bei den Manichäern* originally completed in 1947 Written shortly after the discovery of the Medinet Madi Library the pioneering study weighed the influence of the Bible on Manichaeism At the end three related articles of Alexander Böhlig which cannot be found in the

**Theology and Praxis** Wolfgang Vondey, 2004-02-13 This insightful study offers the first comprehensive overview of the theology and praxis of Roman Catholic theologian Heribert M hlen This theologically accurate and historically sensitive book shows that M hlen has gone beyond his popular early academic exercise by documenting and proposing a liturgical praxis that aims at providing a concrete framework for the acceptance and renewal of the human covenantal relationship with God In every respect M hlen s theology and praxis marks the beginning of a new profile of the Church A letter and epilogue by Heribert M hlen are included *Paul Herman Ridderbos, 1997-09-11* This is the English translation of the monumental study of the theology of the Apostle Paul by the Dutch theologian and Biblical scholar Herman Ridderbos

**Jesusüberlieferung bei Paulus?** Christine Jacobi, 2015-07-01 Welche Bedeutung besitzt die Jesuswort berlieferung f r Paulus Die vorliegende Untersuchung besch ftigt sich mit dieser Frage anhand ausgew hlte synoptischer Parallelen in den Paulusbriefen Anders als die Evangelien pr sentiert Paulus einige dieser Traditionsgehalte nicht als Worte Jesu sondern als allgemeine urchristliche berlieferung Traditionen wie die vom Umgang mit dem Feind R m 12 die synoptisch als Feindesliebegebot Jesu begegnet erweisen sich als fr hchristliche Neuinterpretation alttestamentlich fr hj discher berlieferungen im Licht des Christusgeschehens Der irdische Jesus spielt als Urheber solcher Lehren jedoch keine Rolle Auch die Herrenworte die Paulus im 1 Korintherbrief anfhrt besitzen nur insofern Geltung als sie auf den erh tten Kyrios zur ckgef hrt werden Traditionsmodelle die gem dem synoptischen Bild in der Verk ndigung Jesu den entscheidenden Ausgangspunkt des Traditionsprozesses sehen sind daher zu berpr fen Die Paulusbriefe weisen vielmehr auf eine eigene fr hchristliche berlieferungsbildung die wesentlich vom Glauben an die Heilsbedeutung des Todes Jesu und an seine Auferweckung gepr gt ist Der Befund zeitigt somit Konsequenzen f r die alte Frage nach Paulus und Jesus **Wisdom and Spiritual Transcendence at Corinth** Richard A. Horsley, 2008-01-01 Examining each of the major sections of 1 Corinthians Horsley probes the disagreement Paul had with those claiming special spiritual status The conflicts over what constitute wisdom knowledge and spirituality cut to the core of what Paul was trying to accomplish in his communities Horsley moves the debate from the

history of religions background to the Hellenistic Jewish religiosity of the Wisdom of Solomon and Philo of Alexandria

**The Theology of Martin Luther** Paul Althaus, 1966-01-01 This is a comprehensive and systematic survey of Martin Luther's entire thought by an internationally recognized authority in the field of Reformation research. The main theological questions which engaged the Reformer's attention are set forth in clear and simple fashion along with a host of quotations from his own writings to illumine the presentation. Scholars and laypersons alike will appreciate the more than a thousand instances in which the author allows Luther to speak forcefully and directly for himself. **Paul Oda Wischmeyer**, 2012-02-09 This new work aimed at upper level undergraduates provides an invaluable handbook for students seriously engaging with Paul's life, letters and context. This new coursebook assesses Paul from four key areas. This book is written by several co-authors, all experts in their given fields, to give the most up-to-date and accurate information to readers but also to present a sense of authorial continuity throughout the book. This book is divided into three main parts: the environment, life, work and person of Paul; Paul's letters and theological themes; and the reception of Paul and his letters. As such, it provides a comprehensive overview of scholarship on Paul and is the perfect handbook for the serious student wishing to engage with some of the most important writings in the New Testament. This book features maps, tables, text boxes, up-to-date bibliographies, and key points are identified throughout.

**Transforming Boasting of Self into Boasting in the Lord** Marcin Kowalski, 2013-07-12 This book uses rhetorical analysis to illuminate one of the most fascinating and complicated speeches by Saint Paul, 2 Cor 10:13. The main problem of the speech regards Paul's claim to be a true servant of Christ and to have the right to boast about it. Paul proves he is strong enough to be the leader of Corinth and paradoxically demonstrates that weakness should belong to the identity of an apostle. Another issue regards the legitimacy of his boasting. The egocentric boast based on the comparison with his opponents is the one that Paul calls foolish, but he is forced nevertheless to undertake it. The tool that ultimately enables him to transform self-aggrandizing speech into speech that is focused on Christ is his paradoxical boasting of weakness. The careful crafting of his discourse based on Christological principles ultimately speaks for qualifying it as a self-praise speech periautologia with a pedagogical not defensive purpose. **Deutsches**

Ferguson, 2021-03-01 This volume presents a detailed case for the plausible literary dependence of the Gospel of Mark on select letters of the apostle Paul. The book argues that Mark and Paul share a gospel narrative that tells the story of the life, death, resurrection, and second coming of Jesus Christ in accordance with the scriptures, and it suggests that Mark presumed Paul and his mission to be constitutive episodes of that story. It contends that Mark self-consciously sought to anticipate the person, teachings, and mission of Paul by constructing narrative precursors concordant with the eventual teachings of the itinerant apostle, a process Ferguson labels Mark's etiological hermeneutic. The book focuses in particular on the various re-

presentations of Christ's death that Paul believed occurred within his communities Christ's death performed in ritual prefigured in scripture and embodied within Paul's person and it argues that these are all seeded within and anticipated by Mark's narrative Through careful argument and detailed analysis *A New Perspective on the Use of Paul in the Gospel of Mark* makes a substantial contribution to the ongoing debate about the dependence of Mark on Paul It is key reading for any scholar engaged in that debate and the insights it provides will be of interest to anyone studying the Synoptic Gospels or the epistles of Paul more generally
