Some Tips to Prevent Employment Discrimination Lawsuits David A. Robinson,2012 Some Tips to Prevent Employment Discrimination Lawsuits teaches employers a faith based Judeo Christian strategy to help increase productivity and reduce litigation Filled with excellent innovative practical tips the book teaches employers how to prevent race discrimination gender discrimination age discrimination religious discrimination disability discrimination sexual orientation discrimination genetics discrimination and sexual harassment in the workplace how to reduce the number of and dollar amount of discrimination lawsuits brought by employees against employers and how to reduce legal expenses in these lawsuits In addition to legal tips and practical tips Robinson includes some biblical passages he thinks can if employers keep them in mind help employers achieve these goals Robinson addresses many difficult questions Should employers be race conscious and gender conscious when hiring and managing employees or race blind and gender blind Should employers be more lenient with aging and disabled employees than with other employees or treat everyone the same Do laws that protect gays from discrimination in the workplace conflict with or comply with biblical teachings And many other important questions on the minds of managers today

Business and Managerial Occupations ,1992 Bulletin of the United States Bureau of Labor Statistics ,1913 Hospitality Law Stephen C. Barth,Diana S. Barber,2017-04-17 Hospitality Law Managing Legal Issues in the Hospitality Industry Fifth Edition takes an applied approach to the study of hospitality law with its touchstone of compliance and prevention The book is highly pedagogical and includes many interactive exercises and real world cases that help students focus on the practical application of hospitality laws and model their decision process to avoid liability As a result this book does look different than others on the market as the legal information contained is carefully selected to specifically correlate with helping students understand how to do the right thing i e it is not a comprehensive book on the laws Barth immediately helps readers learn about the legalities of situations and work through exercises both individually and in groups to effectively apply them to hospitality management situations Many instructors teach their course from a very applied perspective which aligns with Barth s approach
