Zoob,2016-12-22 For many readers of the Bible there are two major obstacles to the enjoyment of scripture comprehension and relevancy In A Lifetime of Genesis Rabbi Zoob seeks to help the reader overcome these obstacles In clear logical prose Rabbi Zoob explains the course of the Covenant of Abraham in Genesis and how each major player Abraham Isaac Jacob Joseph Sarah Rebekah Rachel and Leah has an impact on the development and continuity of the Covenant of Abraham He solves the relevancy problem by sharing stories from his life that are connected to the patriarchal and matriarchal events and themes in each previous chapter For example following an analysis of the challenge of infertility that Abraham and Sarah faced he tells the story of how he and his wife Barbara struggled through thirteen years of childlessness And after the chapter on how Jacob wrestled with the angel and the many challenges in his life Rabbi Zoob recalls his sibling struggles with his brother and his wrestling with seasonal depression Rabbi Zoob hopes that his use of this midrashic process to discover personal insights will encourage the reader to do the same Conservative Judaism Elliot N. Dorff,1977 **Springs of Western Civilization** James A. Arieti,2017-07-14 Springs of Western Civilization is a comparative exploration of the Hebraic and classical traditions that form our heritage In examining these traditions before they united James Arieti locates the catalyst for their bonding in two related circumstances adoption by the biblical world of an eclectic mélange of Platonism Aristotelianism and Stoicism that in the centuries on each side of the Common Era produced consensus models both of God and of a warmhearted individual and belief that the writings of Plato were literally true a belief that arose

After Emancipation David Ellenson, 2004-12-30 David Ellenson prefaces this fascinating collection of twenty three essays with a remarkably candid account of his intellectual journey from boyhood in Virginia to the scholarly immersions in the history thought and literature of the Jewish people that have informed his research interests in a long and distinguished academic career Ellenson President of the Hebrew Union College Jewish Institute of Religion has been particularly intrigued by the attempts of religious leaders in all denominations of Judaism from Liberal to Neo Orthodox to redefine and reconceptualize themselves and their traditions in the modern period as both the Jewish community and individual Jews entered radically new realms of possibility and change The essays are grouped into five sections In the first

Ellenson reflects upon the expression of Jewish values and Jewish identity in contemporary America explains his debt to Jacob Katz's socio-religious approach to Jewish history and shows how the works of non-Jewish social historian Max Weber highlight the tensions between the universalism of western thought and Jewish demands for a particularistic identity. In the second section, *The Challenge of Emancipation*, he indicates how Jewish religious leaders in nineteenth-century Europe labored to demonstrate that the Jewish religion and Jewish culture were worthy of respect by the larger gentile world. In a third section, *Denominational Responses*, Ellenson shows how the leaders of Liberal and Orthodox branches of Judaism in Central Europe constructed novel parameters for their communities through prayer books, legal writings, sermons, and journal articles. The fourth section, *Modern Responsa*, takes a close look at twentieth-century Jewish legal decisions on new issues such as the status of women, fertility treatments, and even the obligations of the Israeli government towards its minority populations. Finally, review essays in the last section analyze a few landmark contemporary works of legal and liturgical creativity: the new Israeli Masorti prayer book, David Hartman's works on covenantal theology, and Marcia Falk's *Book of Blessings*. As Ellenson demonstrates, the reality of Jewish cultural and social integration into the larger world after Emancipation did not signal the demise of Judaism. Instead, the modern setting has provided a challenging context where the ongoing creativity and adaptability of Jewish religious leaders of all stripes has been tested and displayed.
