Roach, 2016-03-31 Find your one true love and live happily ever after. The trials of love and desire provide perennial story material from the Biblical Song of Songs to Disney's princesses, but perhaps most provocatively in the romance novel, a genre known for tales of fantasy and desire, sex and pleasure. Hailed on the one hand for its women-centered stories that can be sexually liberating and criticized on the other for its emphasis on male-female coupling and mythical happy endings, romance fiction is a multi-million-dollar publishing phenomenon creating national and international societies of enthusiasts, practitioners, and scholars. Catherine M. Roach, alongside her romance writer alter ego Catherine LaRoche, guides the reader deep into Romancelandia, where the smart and the witty combine with the sexy and seductive to explore why this genre has such a grip on readers and what we can learn from the romance novel about the nature of happiness, love, sex, and desire in American popular culture. *The Happily Ever After* Avi Steinberg, 2020-08-11 A memoir about writing a novel about searching for love. Is romance dead? Is that why there are so many vampires in today's romance novels? When Avi Steinberg's love life took a grim turn, he did what he always does: He consulted his old books, the usual cast of Great Very Serious Usually Male Authors. And he immediately realized that these books were part of the problem. Instead, he began to read romances, the books he like so many of us have been conditioned to dismiss as trashy. What he discovered was a genre that was tremendously diverse and daring, along with a vast network of innovative writers who were keeping the novel as alive as ever. His own relationship problems, he realized, came down to a failure of his imagination. And so he set out on a quest to write and publish a romance novel and to find real-life love. A hybrid of memoir, travelogue, and critical essay, *The Happily Ever After*

chronicles an adventure in a brave new world of literature Steinberg offers a report from the trenches of romance moving between major industry conferences and writing groups at the local bar as he works and reworks his romance novel idea He reveals the inside scoop from a major romance publishing house crisscrosses the country meeting mysterious ghostwriters and Fabio's great unsung rival and offers a running take on the fascinating history of romance writing the genre that invented and continues to reinvent the modern novel Along the way he meets many readers each of whom sheds light on why we are so fascinated by and phobic of romance fiction and what the vitality and fractiousness of our biggest genre says about us With quirky wit and disarming honesty Steinberg captures an often misunderstood literary culture and learns from its devoted practitioners how to take the Happily Ever After seriously in his own life *The Happy Ever After Playlist* Abby Jimenez, 2020-04-14 From the New York Times bestselling author of *Part of Your World* comes a romantic comedy full of fierce humor and fiercer heart about how one adorable puppy brings together two perfect strangers Casey McQuiston NYT bestselling author of *Red White Royal Blue* Artist Sloan Monroe just can't seem to get her life on track But one trouble making pup who randomly jumps into her car with a take me home look in his eyes is about to change everything With Tucker by her side Sloan finally starts to feel more like herself Then after weeks of unanswered texts Tucker's owner reaches out He's a musician on tour in Australia And bottom line He wants Tucker back Well Sloan's not about to give up her dog without a fight But what if this Jason guy really loves Tucker As their flirty texts turn into long calls Sloan can't deny a connection Jason is hot and nice and funny There's no telling what could happen when they meet in person The question is With his music career on the rise how long will Jason really stick around And is it possible for Sloan to survive another heartbreak USA Today bestseller Publishers Weekly bestseller Featured on NBC NPR PopSugar Entertainment Weekly Forbes Business Insider Bustle Oprah.com Goodreads Choice Award Finalist for Best Romance SheReads Award Best Romance of the year Frolic's Best Books of the year **Happily Ever After** Harriet Evans, 2012-06-05 A poignant romantic and delightful new novel from international favorite and bestseller Harriet Evans Provided by publisher **My Happily Ever After** Sanjay Sharma, 2019-10-11 Keshav is a small town guy who lands up in Delhi for his engineering degree in a well known college The twist in his tale is he does not want to be an engineer He wants to be an author When fate brings him face to face with Aditi he is stumped by her beauty and heavenly voice Like him her dreams lie elsewhere She aspires to be a singer and not an engineer They bond over their dreams and passion and a deep bond is forged But just when things are going great between the two a turning point pulls them apart While she leaves him to pursue her dreams he plunges into depression and anxiety *My Happily Ever After* is a heartwarming tale of electrifying friendships life altering dreams and everlasting love which will motivate you to live the life of your dreams **Happily Ever After** Patricia Scanlan, 2017-02-07 International bestseller Patricia Scanlan explores the end of the honeymoon phase for a newlywed couple in this warm and evocative novel featuring Scanlan at her best Irish Independent When the honeymoon is over real life begins Newly married
