Two Timer Dime Sheppard, 2022-09-06 Crime writer Evie Howland is officially beginning a happily ever after In life that is Not in fiction She isn't planning to write anything fictional for a while especially not the screenplay she just started That's because her two most beloved characters NYPD detectives Jay Ryan and Carolyn Harding are part of reality now and her closest friends And she wants to keep it that way But when a murder victim is found in Central Park Evie realises she's made a mistake somehow and unleashed her own brand of fictional havoc on the real world again Not to mention that there's a new character on the loose handsome mystery man Chris Murray a brilliant thief with an equally brilliant smile and possibly a heart of gold Is he involved in the murder To chase down answers from Murray Evie must dive headfirst literally into his story which turns out to be a lot more dangerous than she anticipated There's a good chance she might not make it out alive Will she be able to redeem her mistakes or will she end up losing everything that matters most
