**Blue Wolf in Green Fire** Joseph Heywood, 2022-04-26 Joseph Heywood ratchets up the suspense in yet another WOODS COP MYSTERY Upper Michigan Conservation Officer Grady Service has a

case on his hands that doesn't make sense. A series of protests and bombings by animal rights activists appears to have culminated in a double murder at a wolf lab which releases into the wild an extraordinarily rare animal, a blue wolf. To the Ojibwa, a blue wolf represents good luck unless it is captured or killed, and then it is an omen of Armageddon. Service suspects that the murders aren't what they seem to be when the FBI takes over the investigation and reaches far beyond its jurisdiction. Meanwhile, an elusive poaching ring sets its sights on wolves. Once again, Service must defend his hallowed Mosquito Wilderness in a race against time when it becomes clear that its final target is the blue wolf. Full of memorable characters and steeped in the lives of woods cops, *Blue Wolf in Green Fire* is also a masterpiece of suspense. This second book in the Woods Cop series is a fully satisfying journey into the natural world and beyond into the terrifying extremes of human nature. *Chasing a Blond Moon* Joseph Heywood, 2019-04-01 Strange things are happening to the black bears of the Upper Peninsula. Grady Service is stumped until a Korean-born professor is murdered by cyanide-laced figs that contain two freeze-dried bear gall bladders. Sexy and suspenseful, *Chasing a Blond Moon* also introduces a new twist in Grady's personal life: he meets a son he never knew he had. Once again, Grady Service, the hard-boiled conservation officer of this superb series set in Michigan's Upper Peninsula, has a weird case on his hands. Strange things are happening to the black bear population. Grady Service can't pin the phenomenon on anyone or anything until a Korean-born professor from Michigan Tech is murdered by cyanide-laced figs, and two freeze-dried bear gall bladders are found among the figs. Service is certain that poachers are at work, killing bears to fuel the Asian market for traditional medicines. The animal parts market is highly organized, and its practitioners are ruthless and dangerous. Grady's nemesis, Michigan's governor, has cut budgets so severely that there are not enough conservation officers to cover the state. Service finds himself filling in for colleagues chasing illusive poachers who leave little evidence and wrestling with the usual cast of eccentric and entertaining characters. And there is a new twist in Grady's personal life: he meets a sixteen-year-old son he never knew he had. Sexy, suspenseful, and full of action, perfect dialogue, and unforgettable characters, *Chasing a Blond Moon* confirms Heywood as one of the finest of his day.

*Killing a Cold One* Joseph Heywood, 2020-04-01 Every fall in northern Michigan brings a spate of dogman sightings. A radio DJ's invention, the dogman, was created as an attention-getting joke. But millions of Michiganders believe in angels and vampires, werewolves, Bigfoot, and the dogman. Late summer, the horribly mutilated bodies of two Native American girls are found in a tent in a remote campground in the Huron Mountains. Grady Service, who wants nothing more than to return to patrolling his beloved Mosquito Wilderness, is called into the case. Strange animal tracks are found, mayhem ensues, a bloody trail of victims begins to accumulate, and the governor, in a political panic and on her way out of office, orders Grady to hunt down and eliminate the killer on her office's dime. Grady Service does not believe in Easter bunnies, Santa Claus, or dogmen, and the monster hunt that unfolds in *Killing a Cold One* builds to a violent finish in some of the Upper Peninsula's harshest and deadliest terrain. Joseph

Heywood's legendary woods cop is called upon to use all of his investigative skills to sort fantasy from reality in order to do what the governor wants

**Out of Service** Joseph Heywood, 2024-09-17 Just when longtime Michigan conservation officer Grady Service is certain that he's seen it all he learns once again that he hasn't After so many decades protecting his state's natural resources here he still is undercover yet again not in a case he's developed but dumped into a case by the Feds with his governor's approval And as time passes he can't figure out if what he's buried in is truly a religious nationalist militia group set on overturning the U.S. Constitution or one man's cash cow a sort of half-ass redneck Ponzi aimed solely at fattening a single bank account The newest Woods Cop Mystery 12 in the legendary series is another soaring brainchild of Joseph Heywood author of the Woods Cop and Lute Bapcat Mysteries both of which explore a way of life lived by Michigan game wardens over many different decades from the Bapcat mysteries of the early 1900s to Grady Service and compatriots in contemporary times

**The Domino Conspiracy** Joseph Heywood, 2015-03-01 Autumn 1960 Nikita Khrushchev is politically adept visionary and locked in a fight with the Politburo and a battle with Mao and the Chinese His country and his political future are in trouble because he has opened doors to the West and espoused the doctrine of peaceful coexistence Meanwhile the arms race is crushing the Soviet economy and there is unrest throughout the Communist empire Changes are imperative The army must be reduced money redirected to a consumer economy and the US neutralized But the old boars of the Red Army will not be easily displaced its leaders are intent on saving their country from Khrushchev A cabal of senior Red Army patriots are led by a man who the world thinks is Khrushchev's unswerving toady The game is treason and the tools are Albania's mad dog leaders for whom assassination is second nature What begins subtly soon turns brittle A rocket technician disappears before a major accident at the Soviet Space Center In Belgrade a psychotic CIA agent escapes an ambush vows revenge and disappears Khrushchev turns to the Special Operations Group the elite hunting team featured in the author's prequel THE BERKUT In Washington the Bay of Pigs invasion is in the final planning stages and its timing is tied to the missing CIA agent He must be found Two teams one from Russia and one from the United States begin a desperate hunt that leads them on an inward spiral toward each other and to a lethal showdown at the 1961 summit in Vienna There they find themselves in an uneasy alliance as they race to find the American renegade and the Albanian death team both groups pawns in a global chess game With a vast canvas of disparate characters and events The Domino Conspiracy is a coruscating tour de force Breathtakingly suspenseful it lays open the myths of the Soviet monolith and reveals the delicate seeds of glasnost and perestroika movements that were not to flower until three decades later Readers know how the Soviet story ended now they will see how it all began

**Upper Peculiar** Joseph Heywood, 2019-08-26 From the author of the Woods Cop Mystery series comes a new collection of stories about life in the Upper Peninsula Heywood offers a glimpse into the world his best loved characters came from like Grady Service Limpy Allerdyce and Luticious Treebone From the early 1900s to present day Heywood shows the roots of Yoopers and how their influence has spread across the peninsula Meet Didit Dave and his

sudden and unexpected promotion to police chief a dead man who doesn't make it to heaven but instead an old bar in Kate's Bay and several military veterans who had engaged in each major US conflict and managed to return home This collection wouldn't be complete without a couple classic Heywood mysteries featuring a new detective duo Tribal police chief John Clash and Houghton County Sheriff Nayar Sekhar One thing is for certain the characters in this collection could only come from one place For Yoopers who are far and away and some who are not so far away one thing is true for them all They all want to return above the bridge ASAP Heywood's collection of stories shares why

**Bad Optics** Joseph Heywood, 2018-04-01 In the eleventh Woods Cop Mystery Conservation Officer Grady Service is on unpaid suspension until spring but stubborn as ever continues to patrol the Mosquito Wilderness along with his complicated past Service is off duty through July 4 following a season in which Service and his unofficial partner lifelong poacher Limpy Allerdyce cleaned up on deer law violators and poachers closing more big cases in two weeks than most officers solve in their careers His reward He is summoned to Lansing told he is on unpaid suspension his badge firearms and truck taken The rationale for the action is fuzzy a questioning of his using a lifelong lawbreaker as partner For the first time Service has no duties and feels like he has been beached unfairly But voluntarily on patrol he begins to sense political shenanigans an old foe lurking somewhere in the shadows He could retire but decides to fight and enlists help from Allerdyce and fellow game warden and Vietnam Veteran Luticious Treebone Clues accumulate It seems someone wants to illegally commercialize the Mosquito Grady realizes if he doesn't stop it the wilderness will be destroyed The tight story unfolds like a poker game with one side bluffing and raising while the other side keeps calling and keeping the game on until there is a final showdown

**The Berkut** Joseph Heywood, 2015-03-01 A lost classic by beloved novelist Joseph Heywood that helped put the writer on the map *THE BERKUT* begins at dusk as SS Colonel Gunter Brumm parachutes silently through the sulphuric haze in the smoldering ruins of Berlin past the Soviet troops that encircle the skeleton that the city has become in April 1945 With the precision and skill that has marked his brilliant military career Brumm has completed the first stage of

a simple yet seemingly impossible mission to evade the Allied forces swarming over Europe and to smuggle Herr Wolf the greatest war criminal of the twentieth century to safety Less than twenty four hours later a special Russian team snakes its way into Berlin s city limits headed for the Reich Chancellery It is led by Vasily Petrov the Berkut named after the Russian eagles trained to hunt wolves a man handpicked by Stalin himself for his ability to track down his quarry and driven by the knowledge that failure means certain death THE BERKUT is a classic story of pursuit of hunters and the hunted that pits two elite teams against each other both of them brave resourceful of great physical prowess and so fully motivated that only the winners will survive Scores of other characters populate this engrossing thriller priests deserters partisans Nazis on the run Swiss guides Austrian refugees as well as a larger than life OSS operative who is the only person among the hundreds of thousands of Allied troops in Europe who realizes that Herr Wolf is not only alive but on the verge of escaping justice Joseph Heywood s novel is a story of enormous conviction and urgency made even more compelling for being based on facts that have yet to be proven fiction

**Covered Waters** Joseph Heywood,2015-09-16 Originally published in 2003 Covered Waters is a forgotten classic by Joseph Heywood Now back in print and featuring new material this collection of autobiographical essays and fishing tales helps readers understand the extent of Heywood s passion for the sport especially in his native waters of Michigan Covered Waters covers an outdoorsman s wanderings and wonderings about fishing and life and how the two are often interconnected These episodes include reminiscences of his days in the U S Air Force training to drop nukes on the Soviet Union in the Cold War his temporary but intense obsession with bear hunting which ended the moment he finally killed a bear and of course his international adventures in fishing recounting such hilarious scenes as two women in France engaged in what appeared to be strip fishing After fishing the world over Heywood finds that there is no water like home water and no fishing partners like old friends

*Buckular Dystrophy* Joseph Heywood,2018 The 10th installment of the beloved Woods Cop Mystery series now in paperback The traditional firearm deer

season in Michigan lasts two weeks a time in which the most hunters are afield during the year and the time when most things happen Game wardens cannot count on having any life but work during this period and in this case Grady Service who takes longtime violator and archrival Limpy Allerdyce on as his partner for deer season runs into the most bizarre string of big cases involving deer that he has ever encountered Buckular Dystrophy is the term coined by Conservation Officers to describe the condition whereby people cannot help killing deer not for sport or food but for other reasons an addiction of sorts and unlike other addictions one not medically organized but just as real
