## **Guida Albania:**

**Albania's Italian occupation - The Italian Anschluss** Daniele Notaro,2024-02-28 The Italian occupation of Albania which took place in April 1939 is a subject little covered in most texts pertaining to the history of our armed forces and is often mentioned in a few lines or described as an action of little importance and without difficulty In reality the invasion of the Kingdom of Albania was a wake up call and showed all the inefficiency of the Italian Royal Armed Forces in a modern war as the Second World War would later be which saw the Kingdom of Italy suffer defeat after defeat What was supposed to be a walk in the park cost the blood of Italian soldiers and sailors especially in the area of Durres and only the weakness of the military apparatus of the small Balkan state would not make the Italians pay dearly for the poor organization of the operation and logistical problems The book after a description of pre 1939 events will focus on the stages of the invasion and then move on to a description of the integration of the Albanian armed forces into those of Italy

**Unexpected Encounters** Francesco Vietti,2024 Exploring different dimensions of the intersection of migration and tourism in the Mediterranean this book is the result of extensive ethnographic research carried out over a decade in the Mediterranean region It focuses on three main themes the impact of migrants visiting their country of origin for holidays called roots tourism the dynamics of the border encounters between local people tourists and migrants and how tourism has affected the cultural diversity in urban areas The book shows how migration and tourism play complementary roles in boosting the global dynamics of cultural social economic and political transformation in the Mediterranean

**Catalogue, 1926-1968** Great Britain. Foreign Office. Library,1972     *Five Albanian Villages* Antonio Lauria,Valbona Flora,Kamela Guza,2020-12-27 This book is the result of a research project designed and carried out at the Department of Architecture University of Florence This research was based on the transfer of knowledge from members of the Albanian Diaspora in Italy university students young architects and researchers to their home country This unique process blazed a trail in the Albania related studies by creating a methodology which could be replicated not only in Albanian rural contexts but also elsewhere The book constitutes a structured tool for generating sustainable and socially inclusive territorial development processes in five lesser known Albanian cultural sites Their tangible and intangible cultural heritage was seen as a driving factor for triggering development processes aimed at improving the inhabitants quality of life and strengthening local identity and social networks Through concrete proposals and strategies the book offers scenarios and solutions capable of enhancing the potential of each village and at the same time counteracting the effects of land abandonment that so often characterise them
