The Tao of Peace Diane Dreher, 1994-03 The Tao Te Ching has been treasured for thousands of years but the simplicity of its philosophy has led to problems for the Western mind This book casts new light on its elusive truths offering vision of how age old Taoist principles can be applied in the contemporary world

Walking the Tao William Martin, 2016 William Martin is one of today's leading teachers of a modern and practical approach to living the principles of The Tao Te Ching His best selling books have ranged over such helpful topics as parenting relationships aging care giving forgiveness and activism Now he offers a new translation of The Tao Te Ching that has emerged from working with students around the world on a walk through the Tao As Martin says I have translated and interpreted the Tao Te Ching for thirty years and I never tire of exploring its fathomless depths Recently I guided a group of students from several different countries through an intensive email exploration of this classic book As part of that exploration titled Walking the Tao I wrote a new translation especially for these fellow travelers I wrote it from my current 2016 understanding and life situation and it emerged quickly and easily I meant it simply as a touch point for this small group of students However the feedback regarding this translation was so overwhelmingly positive that I have decided to incorporate it into a little e book The book contains his new translation along with a brief commentary and some suggestions for personal reflection after each verse He offers a study of the Tao that is neither an intellectual philosophical practice nor an esoteric spiritual discipline but simply a practical way of walking through life with awareness simplicity and contentment A healing message for a chaotic frenzied frightened world

The Tao of Peace Diane Dreher, 1990 *The Tao Te Ching* 101

Matthew S Barnes, 2016-09 The Tao Te Ching is easily one of the most cherished and beloved spiritual works in existence It is

a short to the point truly non denominational work that has been translated into English more times than any other work but the Christian Bible It is considered by many to be a living treasure The teachings of the Tao Te Ching pronounced Dow Deh Jing are based on the works of Lao Tzu an ancient Chinese philosopher who recorded as best he could his teachings into eighty one brief concise chapters creating a treatise many consider to be nothing short of a definitive manual on the art of successful living Lao Tzu in his work was able to address and dissect the essential core questions and dilemmas and dramas of life that we all face and then guide us through them to a life of understanding cooperation compassion and inner peace The Tao Te Ching is about wisdom in action Its teachings are as if a balm for the The Tao of Health, Sex and Longevity Daniel P. Reid,2001 People are increasingly looking to alternatives to Western medicine and here is a practical self help guide to a balanced and positive lifestyle Tao the most ancient and fundamental element in the world s oldest civilisation is as relevant to today s world as to classical China For the contemporary reader this accessible book is the first to explore in the light of the findings of modern Western science the balanced and holistic system of health care used by Chinese physicians martial artists and meditators for over 5 000 years Exploring the ancient teachings of characters such as The Yellow Emperor and The Plain Girl Daniel Reid lights the path to sexual fulfilment The instructions of the Way of Yin and Yang serve as signposts along the winding road to a woman s orgasm and says the author every man should learn to read them In THE TAO OF HEALTH SEX AND LONGEVITY Daniel Reid has combined his personal experience with original research and in an accessible informed and often anecdotal style he presents the issues and answers of practical concern to a Western audience The book covers every aspect of health with concise information on diet and nutrition fasting breathing and exercise medicine meditation and sexual yoga
