

The background of the cover is a dark, deep blue or black space. It is filled with dynamic, glowing energy. A bright, white-yellow light source is visible in the lower-left quadrant, from which several thin, white, curved lines radiate outwards across the cover. These lines are interspersed with larger, more diffuse areas of color, including vibrant magenta, pink, and orange-red in the center, and a greenish-yellow glow towards the upper right. Small, distant stars or particles are scattered throughout the dark background.
