

The Executive Branch: What Are the Executive Departments?

The United States Constitution divides the federal government into three equally important parts: the legislative, executive, and judicial branches. The executive branch includes the president, vice president, executive departments, and many other agencies that help to administer the laws of the United States. The 15 executive departments do important work. Almost 60% of people working for the federal government are a part of these departments.

Read about the main responsibility of each department. Then, answer the questions on page 2.

	Department of Agriculture	ensuring food safety and overseeing food assistance programs
	Department of Commerce	helping U.S. businesses and encouraging economic growth
	Department of Defense	protecting the nation and managing the armed forces
	Department of Education	providing federal aid to schools and conducting educational research
	Department of Energy	developing and protecting the nation's energy resources
	Department of Health and Human Services	making policies about health and medicine and running programs such as Medicare
	Department of Homeland Security	responding to terrorist threats and providing border security
	Department of Housing and Urban Development	managing programs that help Americans find affordable housing
	Department of the Interior	overseeing the nation's land and other natural resources
	Department of Justice	enforcing and prosecuting the nation's laws
	Department of Labor	helping workers and improving working conditions
	Department of State	managing the nation's relationships with other countries
	Department of Transportation	regulating and maintaining highways, mass transit, railroads, and air travel
	Department of the Treasury	managing the nation's money and finances
	Department of Veterans Affairs	providing benefits, pensions, and medical programs to veterans
