2Ed. Kevin Seiler, Donald Seiler, 2009 **Personal Protection Training** Dr. Leonard M. Breure, Rob Pincus, 2012-07-27 Some Comments from Lens Students I want you to know that in my many years of being a student you easily rank as the best teacher I have ever had Your skill and patience has made me infinitely more comfortable with my weapons and myself The next class you teach I'll be there in a heartbeat I'm sure you don't have to be reminded of the multitude of people you have touched and the positive impact you have had on firearms training overall Bob Patridge Len has taught me to effectively and

safely use a handgun and rifle and for that I will always be grateful I look forward to the time I spend once or twice a week under his instruction Len has created a wide range of firearms training programs out of virtually nothing and trained a sizeable and competent cadre of firearms instructors who like me greatly respects the man He is engaged with his students and always approachable Students who have shot much longer than me comment on his great depth of knowledge and ability to improve their shooting He clearly loves to teach the material and his enthusiasm is contagious He has a great sense of humor and makes his classes a lot of fun But in spite of all of this the safety of his students is always his first concern Dr Noel Pillman MD I am a retired police officer and a former police firearms instructor for over 20 years I have been to numerous firearms training classes over the years but have not had any instructors more professional knowledgeable and dedicated to what they do then Len Breure Maurice Merabella Len was my first real tactical instructor a few years ago He is a thorough safe and well versed instructor His teaching style is unique in a way that clearly conveys lessons and makes them easy to understand for experienced shooters and novices alike Len brings a wealth of prior been there done that experience to the table that s an asset to his teaching and is rarely found in many of the new instructors that have come to the arena since most states have enacted concealed carry laws I continue to train with a variety of tactical instructors and am always amazed by how much of the information Len taught me is still the foundation upon which I build Mike VanMeeteren I have been fortunate enough to receive numerous training courses that were being taught by Len Breure In my opinion Len is one of the best in the business It is very rewarding to be able to learn from someone who has the experience and knowledge to take tactical training to the next level Jim Bryant I first meet Len while taking my Minnesota Concealed Carry Course in 2005 Since that time I have taken every course that Len teaches In my opinion Len is the consummate professional who teaches with passion and an incredible degree of knowledge I would strongly urge anyone interested in personal protection to take Lens courses Mike Pingel **American Guardian** ,1997 Defensive Handgun Training Drills Michael Seeklander,2012-11-01 Another excellent performance training product from www shooting performance com this book Defensive Handgun Training Drills contains the drills and ONLY the drills found in the training program in my other book Your Defensive Handgun Training Program These drills are designed to teach the shooter the critical skills necessary to survive a defensive handgun encounter It is meant to be used as a range guide for those that do not want to print the drills or by shooters that want to use the drills to design their own program The full training program is recommended for those wishing to really excel If you have this book and are interested in the full program please visit www shooting performance com to purchase it or other books and DVD s Thanks for your interest in Shooting Performance Patrol Response to Contemporary Problems John A. deterrence and de escalation They have proven to be absolutely the safest way to live your life However these three solutions can fail because of something we did not do or because of something totally out of our control If avoidance deterrence and de escalation have failed to defuse a volatile or violent situation and a life threatening situation is imminent I have problems with the idea of hand to hand combat for most people The only true equalizer for these types of potentially life threatening situations in my humble opinion is a handgun That is my defensive choice For whatever reasons if you feel that is not your choice then I will do my best to address some possible alternatives you may choose to use That said I feel the handgun is the best possible defensive weapon for anyone especially women senior citizens and people with disabilities It might prepare you for the day I hope never comes In the words of some experts in the world of defense who have read K I S S Keep Individual Security Simple Brent Shepherd Director of Operations at the American Police Hall of Fame Shooting Center says of K I S S This is the most straightforward explanation of applied personal safety principles I have ever read The concepts and practical applications are easy to follow and this book provides insights that can benefit everyone Retired Philadelphia policeman Steven O Forester says This book offers you the opportunity to learn how to be a survivor of the worst thing that could happen to you the loss of your life or that of your loved ones The world is changing and not always for the good Dont let the bad guys win Give yourself the edge to come out of that situation a winner Remember age is just a number if you prepare your mind and body to do the task it can be done Retired deputy sheriff C J Gibson says After Mary became a victim of a purse snatching Arthur and Louise along with their neighbors decided not to be victims any longer and took some personal initiative to prepare themselves for individual security In a society plagued with increasing violence Helmke and Guttenberg provide an easy fun read and practical advice for anyone interested in taking responsibility for their personal security They deliver this advice utilizing an elderly couple with physical challenges and limitations often faced by our aging population Helmke and Guttenberg are passionate and knowledgeable in the task of personal safety They provide sound real life practical concepts to begin your quest of individual security Special Agent Jeffrey Stover Retired U S Secret Service says If you decide to kill a fly you kill it with a sledgehammer you know how a fly can be such a pest you move your hand to make it move away or try to swat it with your hand but cant quite get it You may move to attempt to catch it and se Fear Not David Fabricius, 2011-12-19 Have you ever been threatened or worried how to protect yourself or your family What would you do if one day someone in your family accidentally opened the door to the wrong person Would you come out on top when your life or your familys lives hung in the balance Would it help if at that moment you could call upon the training wisdom and perhaps the courage of an elite Special Forces professional FEAR NOT was initially intended for the average Mom and POP citizen to become a better protector It is now also recommended for and will not disappoint even the most experienced and best trained Anyone can be the victim of a mugging or home invasion You could also simply be in the wrong place at the wrong time and find yourself in the middle of a riot a natural disaster or even a war zone Learn how to become that hard
