Hanky Panky An Intimate History Of The Handkerchief:

Hanky Panky Helen Gustafson, 2002 Helen Gustafson applies her storytelling talents to the enchanting unique history of the handkerchief in America Part memoir part social history HANKY PANKY weaves a captivating tale of this delicate linen which is now enjoying a renaissance of sorts For those who grew up before Kleenex tissue came on the scene this volume will bring back the glory days when handkerchiefs were an indispensable part of every woman's wardrobe and toilette For those born AK after Kleenex the breathtaking illustrations and juicy handkerchief gossip about such icons as Marlene Dietrich Joan Crawford and Jackie Kennedy will give them a newfound appreciation for this timeless accessory Features full color illustrations of more than 100 unusual handkerchiefs from the author's extensive collection including rare commemorative handkerchiefs never seen before in one collection "Women and Things, 1750-1950" Maureen Daly Goggin, 2017-07-05 In contrast to much current scholarship on women and material culture which focuses primarily on women as consumers this essay collection provides case studies of women who produced material objects The essays collected here make an original contribution to material culture studies by focusing on women's social practices in relation to material culture The essays as a whole are concerned with women's complex and active engagement with material culture in the various stages of the material object's life cycle from design and production to consumption use and redeployment Also theorized and described are the ways in which women engaged in meaning making identity formation and commemoration through their manipulation of materials and techniques ranging from taxidermy and shell work to collecting autographs and making scrapbooks This volume takes as its object of investigation the overlooked and often despised categories of women's decorative and craft activities as sites of important cultural and social work This volume is interdisciplinary with essays by art historians social historians literary critics rhetoricians and museum curators The scope of the volume is international with essays on eighteenth century German silhouettes Australian aboriginal ritual practices Brittany mourning rites and Soviet era recipes that provide a comparative framework for the majority of essays which focus on British and North American women who lived and worked in the long nineteenth century This volume will appeal to a broad range of students and scholars in women's history art history cultural studies museum studies anthropology cultural and social history literature rhetoric and material culture studies *A Companion to Textile Culture* Jennifer Harris, 2020-08-17 A lively and innovative collection of new and recent writings on the cultural contexts of textiles The study of textile culture is a dynamic field of scholarship which spans disciplines and crosses traditional academic boundaries *A Companion to Textile Culture* is an expertly curated compendium of new scholarship on both the historical and contemporary cultural dimensions of textiles bringing together the work of an interdisciplinary team of recognized experts in the field The Companion provides an expansive examination of textiles within the broader area of visual and material culture and addresses key issues central to the contemporary study of the subject A wide range of methodological and theoretical approaches to the subject are explored technological anthropological

philosophical and psychoanalytical amongst others and developments that have influenced academic writing about textiles over the past decade are discussed in detail Uniquely the text embraces archaeological textiles from the first millennium AD as well as contemporary art and performance work that is still ongoing This authoritative volume Offers a balanced presentation of writings from academics artists and curators Presents writings from disciplines including histories of art and design world history anthropology archaeology and literary studies Covers an exceptionally broad chronological and geographical range Provides diverse global transnational and narrative perspectives Included numerous images throughout the text to illustrate key concepts A Companion to Textile Culture is an essential resource for undergraduate and postgraduate students instructors and researchers of textile history contemporary textiles art and design visual and material culture textile crafts and museology

The Juggler of Notre Dame and the Medievalizing of Modernity Jan M. Ziolkowski, 2018-06-11 This ambitious and vivid study in six volumes explores the journey of a single electrifying story from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries The Juggler of Notre Dame tells how an entertainer abandons the world to join a monastery but is suspected of blasphemy after dancing his devotion before a statue of the Madonna in the crypt he is saved when the statue delighted by his skill miraculously comes to life Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth century Paris before its translation into English in Britain and the United States The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations and Ziolkowski concludes with an examination of the explosion of interest in The Juggler of Notre Dame in the twentieth century and its place in mass culture today The Juggler of Notre Dame and the Medievalizing of Modernity is a rich case study for the reception of the Middle Ages in modernity Spanning centuries and continents the medieval period is understood through the lens of its post modern reception in Europe and America Profound connections between the verbal and the visual are illustrated by a rich trove of images including book illustrations stained glass postage stamps architecture and Christmas cards Presented with great clarity and simplicity Ziolkowski's work is accessible to the general reader while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies medievalism philology literary history art history folklore performance studies and reception studies

Clothing and Fashion José Blanco F., Patricia Kay Hunt-Hurst, Heather Vaughan Lee, Mary Doering, 2015-11-23 This unique four volume encyclopedia examines the historical significance of fashion trends revealing the social and cultural connections of clothing from the precolonial times to the present day This sweeping overview of fashion and apparel covers several centuries of American history as seen through the lens of the clothes we wear from the Native American moccasin to Manolo Blahnik's contribution to stiletto heels Through four detailed volumes this work delves into what people wore in various periods in our country's past and why from hand crafted family garments in the 1600s to the rough clothing of slaves to the sophisticated textile designs of the 21st century More than 100 fashion experts

and clothing historians pay tribute to the most notable garments accessories and people comprising design and fashion The four volumes contain more than 800 alphabetical entries with each volume representing a different era Content includes fascinating information such as that beginning in 1619 through 1654 every man in Virginia was required to plant a number of mulberry trees to support the silk industry in England what is known about the clothing of enslaved African Americans and that there were regulations placed on clothing design during World War II The set also includes color inserts that better communicate the visual impact of clothing and fashion across eras **Half-Past Winter** Nancy Hopkins Reily,2017-11-15

Nancy Hopkins Reily thought she knew everything she needed to know when she published I Am At An Age in 1990 at age fifty She says I had compiled my life s experiences with metaphors using the mountains as background I approached my experiences as universal experiences that everyone recognized as their life Six months after the book was published I realized I had more to learn in laws sandwich generation writing over thirty four years of journaling with selective excerpts sixty four lines of genealogy laurels my aging and grandchildren I knew I would have to write a sequel And here it is twenty two years later She has eliminated most of the metaphors Some themes continue although homes clothes and make up have changed But her persona has remained the same Nancy says My ancestors gave me gifts I read that my great great grandmother born 1812 in South Carolina rode to Texas in a carriage with silver trimmings after her husband had died on their Jackson Mississippi plantation And I also found out after reading my mother s journals that she was voted unanimously the Queen of the May Pageant at Texas Christian University in 1928 Her journals of her European trip also provided insight into her relationship with my father These readings took on a life of their own as I used my years of notes teenage diaries and journals to form this gift to my descendants in this book I hope you enjoy it **World Clothing and Fashion** Mary Ellen

Snodgrass,2015-03-17 Taking a global multicultural social and economic perspective this work explores the diverse and colourful history of human attire From prehistoric times to the age of globalization articles cover the evolution of clothing utility style production and commerce including accessories shoes hats gloves handbags and jewellery for men women and children Dress for different climates occupations recreational activities religious observances rites of passages and other human needs and purposes from hunting and warfare to sports and space exploration are examined in depth and detail Fashion and design trends in diverse historical periods regions and countries and social and ethnic groups constitute a major area of coverage as does the evolution of materials from animal fur to textiles to synthetic fabrics and production methods from sewing and weaving to industrial manufacturing and computer aided design Dress as a reflection of social status intellectual and artistic trends economic conditions cultural exchange and modern media marketing are recurring themes Influential figures and institutions in fashion design industry and manufacturing retail sales production technologies and related fields are also covered **Conquering Innovation Fatigue** Jeffrey Lindsay,Cheryl A. Perkins,Mukund

Karanjekar,2009-07-07 This practical guide reveals the nine major fatigue factors that can block the path to innovation

success along with solutions to energize innovation Original advances in innovation practice and new case studies are applied to guide inventors entrepreneurs companies universities and even policy makers in conquering innovation fatigue Cost effective solutions include guidance on intellectual assets dealing with disruptive innovation and driving innovation using the Horn of Innovation and Circuit of Innovation models A surprising view of DaVinci as an engine of open innovation is presented Throughout the book a unique aspect is exploring the journey of innovators including corporate employees and entrepreneurs at the often overlooked personal level using the metaphor of immigrants in a strange land to identify barriers and solutions
