Hanne Darboven Verena Berger, 2015 Compiling columns of numbers on typewriter paper Hanne Darboven 1941 2009 catalogued time Probably the most important German Conceptual artist Darboven added cross totaled wrote down recorded In her hands notated moments in time coalesced into works of art This collage like biography focuses on a fascinatingly androgynous female figure setting out on a search for the traces of her life Born into an upper class family in Hamburg Darboven experienced her artistic awakening in New York in the 1960s and ultimately carved out a stellar career as an artist Here transcribed conversations narrative passages and interviews with fellow artists such as Lawrence Weiner Carl Andre Joseph Kosuth Kasper König and Rainer Langhans are interspersed with one another This intimate perspective demonstrates Darboven's artistic development and enables readers to more easily access her influential oeuvre **Life Is Everywhere**

Lucy Ives, 2022-10-04 A virtuosic radical reimagining of the systems novel by a rampaging mirthful genius Elizabeth McKenzie Everything that happened was repetition But it was repetition with a difference So she dragged along in a spiral trusting to this form Manhattan 2014 It's an unseasonably warm Thursday in November and Erin Adamo is locked out of her apartment Her husband has just left her and meanwhile her keys are in her coat which she abandoned at her parents' apartment when she exited mid dinner after her father once again lost control Erin takes refuge in the library of the university where she is a grad student Her bag contains two manuscripts she's written along with a monograph by a faculty member who's recently become embroiled in a bizarre scandal Erin isn't sure what she's doing but a small mostly unconscious part of her knows within these documents is a key she's needed all along With unflinching precision Life Is Everywhere captures emotional events that hover fitfully at the borders of visibility and intelligibility showing how the past lives on often secretly and at the expense of the present It's about one person on one evening reckoning with heartbreak a story that to be fully told unexpectedly requires many others from the history of botulism to an enigmatic surrealist prank Multifarious mischievous and deeply humane Lucy Ives's latest masterpiece rejoices in what a novel and a self can carry
