Hans Christian Andersen A Biography:

Hans Christian Andersen Robert Nisbet Bain,1895 **The Fairy Tale of My Life** Hans Christain Anderson,2000-09-25
Danish poet and novelist Hans Christian Andersen 1805 1875 is best known for the dozens of fairy tales he wrote including The Little Mermaid The Ugly Duckling and The Snow Queen Andersen s sense of fantasy power of description and acute sensitivity are strikingly evident in his autobiography Andersen masterfully depicts the extreme poverty of his provincial childhood and the international celebrity of his later years and also provides insights into the sources of many of his most famous tales **Hans Christian Andersen** Bain,1895 **Hans Christian Andersen** Robert Nisbet Bain,1895 **The True Story of My Life** Hans Christian Andersen,2013-01-14 My life is a lovely story happy and full of incident If when I was a boy and went forth into the world poor and friendless a good fairy had met me and said Choose now thy own course through life and the object for which thou wilt strive and then according to the development of thy mind and as reason requires I will guide and defend thee to its attainment my fate could not even then have been directed more happily more prudently or better The history of my life will say to the world what it says to me There is a loving God who directs all things for the best My native land Denmark is a poetical land full of popular traditions old songs and an eventful history which has become bound up with that of Sweden and Norway The Danish islands are possessed of beautiful beech woods and corn and clover fields they resemble gardens on a great scale Upon one of these green islands Funen stands Odense the place of my birth Odense is called after the pagan god Odin who as tradition states lived here this place is the capital of the province and lies twenty two Danish miles from Copenhagen The Story of My Life Hans Christian Andersen,1871 The Story of my Life Hans Christian Andersen,2023-02-23 Reprint of the original first published in 1871 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost *Hans Christian Andersen* Mariena Foley,2012-12-01 From his early life through his career personal life death and legacy learn about the father of the fairy tale Hans Christian Andersen in this compiled biography **Hans Christian Andersen** Fredrik Böök,1962 Hans Christian Andersen Jackie Wullschlager,2002-06-15 Beloved by generations of children and adults around the world for tales such as The Ugly Duckling and The Emperor s New Clothes Hans Christian Andersen 1805 1875 revolutionized children s literature Although others before him had collected and retold folk stories and fairy tales Andersen was the first to create the stories himself instilling a previously stilted genre with new humor wisdom and pathos Drawing on letters diaries and other original sources many never before translated from the Danish Wullschlager shows in this compelling extensively researched biography how Andersen s writings darker and more diverse than previously recognized reflected the complexities of his life a far cry from the happily ever after of a fairy tale As we follow in his footsteps from Golden Age Copenhagen to the princely courts of Germany and the villas of southern Italy Andersen becomes a figure every bit as fascinating as a character from one

of his stories a gawky self pitying and desperate man but also one of the most gifted storytellers the world has ever known

Hans Christian Andersen Hans Christian Andersen,2002-12-01 When Andersen wrote the story of his life printed here in its original form he had reached the height of international fame He was surrounded by kind friends welcomed by kings and princes courted by poets and scholars The struggles of his youth were behind him but he had not travelled so far away from them that he had lost the warm glow of satisfaction in difficulties overcome The shadows of old age were still distant He had found the true medium of his genius in the fairy tales and he was yet in the fullness of his creative power It was natural therefore that he should look back upon his life as a lovely story happy and full of incident and that he should think it could not have been happier or better even if a kind fairy had given the poor friendless boy the power to choose this own career The sufferings of the boy and youth had sunk into the background of his consciousness and yet we need only listen to the undertones of his story to feel how poignant they had been and how they had influenced the whole bent of his mind **The**

True Story of My Life Hans Christian Andersen,1847 Hans Christian Andersen Jens Andersen,2006-03-28 Andersen provides a fascinating backdrop for the life of the acclaimed fairy tale writer a budding genius placed in the context of his time Publishers Weekly Hans Christian Andersen was a storyteller for children of all ages but he was more than that He was a critical journalist with great enthusiasm for science an existential thinker an observant travel book writer a passionate novelist a deft paper cut out artist a neurotic hypochondriac and a man with intense but frustrated sexual desires This startling and immensely readable definitive biography by Danish scholar Jens Andersen is essential to a full understanding of the man whose writing has influenced the lives of readers young and old for centuries Jens Andersen sheds brilliant new light on Hans Christian Andersen s writings and on the writer whose own life had many aspects of the fairytale Like some of the memorable characters he created Andersen grew up in miserable and impoverished circumstances He later propagated myths about his life and family but this new biography uncovers much about this man that has never been revealed before An enthralling ground breaking new biography Jens Andersen has a novelist s insights which enhance his meticulous biographical skills making us appreciate among much else that ambiguity is as intrinsic to the life as to the art that came out of it The Independent *My Fairy-Tale Life* Hans Christian Andersen,2013 In his autobiography Hans Christian Andersen gives a vivid account of the Danish provincial life he knew as a child as well as life in Danish aristocratic circles and in European high society He met all the leading authors and composers and was one of the most widely travelled writers of his day

The Mermaid Man Hans Christian Andersen,1955 **The True Story of My Life** Hans Christian Andersen,2016-07-02 Hans Christian Andersen 2 April 1805 4 August 1875 was a Danish author Although a prolific writer of plays travelogues novels and poems Andersen is best remembered for his fairy tales Andersen s popularity is not limited to children his stories called eventyr in Danish express themes that transcend age and nationality This biography was given to Andersen s good friend Mary Howitt and depicts the fascinating true story of the greatest fairy story author of all time A

wonderful read for all **Hans Christian Andersen** Elias Bredsdorff,1975 In the first part of this sympathetic book the author traces the story of Andersen s extraordinary life and shows how often his tales grew out of his own experience The second part of the book a study of the tales themselves will be a revelation to most people for as the author says Andersen has long been relegated to the nursery and few adults realize the full extent of his wit charm and sheer genius as a storyteller

The True Story of My Life: a Sketch Hans Christian Andersen,1847 All was sunshine all was spring The vine hung in long trails from tree to tree never since have I seen Italy so beautiful I sailed on Lago Maggiore ascended the cathedral of Milan passed several days in Genoa and made from thence a journey rich in the beauties of nature along the shore to Carrara I had seen statues in Paris but my eyes were closed to them in Florence before the Venus de Medici it was for the first time as if scales fell from my eyes a new world of art disclosed itself before me that was the first fruit of my journey Here it was that I first learned to understand the beauty of form the spirit which reveals itself in form The life of the people nature all was new to me and yet as strangely familiar as if I were come to a home where I had lived in my childhood **Hans Christian**
