Chris Shirley, 2015-09-22 In Playing by the Book S Chris Shirley tells a story I loved curling up with featuring one of the most endearing teen protagonists I ve read in years Alex Sanchez author of The God Box and Boyfriends with Girlfriends When seventeen year old high school newspaper editor Jake Powell fresh from Alabama lands in New York City to attend Columbia University's prestigious summer journalism program it's a dream come true But his father a fundamentalist Christian minister smells trouble And his father is rarely wrong In Playing by the Book Jake navigates new and unfamiliar ways up North Starting with his feelings for a handsome Jewish classmate named Sam What Jake could keep hidden back home is now pushed to the surface in the Big Apple Standing by his side are a gorgeous brunette with a Park Avenue attitude and the designer bags to match a high school friend who has watched Jake grow up and isn t sure she s ready to let him go and an outrageously flamboyant aunt who s determined to help Jake finds the courage to accept love and avoid the pain that she has experienced Provocative and moving Playing by The Book is a feel good novel about the struggles and triumphs we encounter in the search for our own truth There s so much to admire in Chris Shirley s debut novel but the most remarkable thing may be its voice Jake is both earnest and skeptical curious and guarded and he tells his story with an endearing humility that somehow avoids the sarcasm that has become the norm Playing by the Book reminds us of how rewarding it can be to climb into someone else s head Patrick Ryan author of Send Me and Saints of The Advocate ,2001-08-14 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Augustine Established in 1967 it is the oldest continuing LGBT publication in the United States The Advocate .2004-09-14 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing Computerworld, 1999-06-07 For more than 40 years Computerworld has been LGBT publication in the United States the leading source of technology news and information for IT influencers worldwide Computerworld's award winning Web site Computerworld com twice monthly publication focused conference series and custom research form the hub of the world s largest global IT media network **Improvision** Simon Shaw-Miller, 2022-04-07 Central to the development of abstract art in the early decades of the 20th century was the conception most famously articulated by Walter Pater that the most appropriate paradigm for non figurative art was music The assumption has always been that this model was most effectively understood as Western art music classical music However the musical form that was abstract art s true twin is jazz a music that originated with African Americans but which had a profound impact on European artistic sensibilities Both art forms share creative techniques of rhythm groove gesture and improvisation This book sets out to theorize affinities and connections between and across two seemingly diverse cultural phenomena Text and Drugs and Rock 'n' Roll Simon

Warner, 2013-03-14 Text and Drugs and Rock n Roll explores the interaction between two of the most powerful socio cultural movements in the post war years the literary forces of the Beat Generation and the musical energies of rock and its attendant culture Simon Warner examines the interweaving strands seeded by the poet novelists Jack Kerouac Allen Ginsberg William Burroughs and others in the 1940s and 1950s and cultivated by most of the major rock figures who emerged after 1960 Bob Dylan the Beatles Bowie the Clash and Kurt Cobain to name just a few This fascinating cultural history delves into a wide range of issues Was rock culture the natural heir to the activities of the Beats Were the hippies the Beats of the 1960s What attitude did the Beat writers have towards musical forms and particularly rock music How did literary works shape the consciousness of leading rock music makers and their followers Why did Beat literature retain its cultural potency with later rock musicians who rejected hippie values How did rock musicians use the material of Beat literature in their own work How did Beat figures become embroiled in the process of rock creativity These questions are addressed through a number of approaches the influence of drugs the relevance of politics the effect of religious and spiritual pursuits the rise of the counter culture the issue of sub cultures and their construction and so on The result is a highly readable history of the innumerable links between two of the most revolutionary artistic movements of the last 60 years The SAGE Handbook of Performance Studies D.
