**Harlequin and Columbine** Booth Tarkington, 2012-10-01 American novelist Booth Tarkington's life spanned the period 1869-1946 giving him a unique insight into the United States as its culture underwent a number of rapid changes. In the humorous novel *Harlequin and Columbine* Tarkington explores the cult of celebrity that began to flower in earnest in the early decades of the twentieth century using the character of an egotistical actor Talbot Potter as the focus of his gentle but hilariously spot-on satire.

**Harlequin and Columbine** Booth Tarkington, 1922 [Harlequin and Columbine](#) Booth Tarkington, 2008-08 The night before Canby was as eagerly happy as a boy at Christmas Eve. He tossed away his old employment because of his new career opening so gloriously with Talbot Potter's having accepted the play. But now came the letter from that actor with the famous smile: "Come up to my apartments at the Pantheon after dinner and let me see what changes you have been able to make in the play. I should like to look at them before deciding to put on another play. I have been considering Madison Avenue after dark shows little to reassure a new playwright who carries in his pocket a note ending with the words 'before deciding to put on another play I have been considering It was Bleak Street that night for young Stewart Canby and a bleak bleak walk he took therein.'" Booth Tarkington 1869-1946 two-time winner of the Pulitzer Prize wrote such keenly observed novels of American life as *Gentle Julia* and *In the Arena*.

[Harlequin and Columbine](#) Booth Tarkington, 2020-10-15 For a lucky glimpse of the great Talbot Potter the girls who caught it may thank that conjunction of Olympian events which brings within the boundaries of one November week the Horse Show and the roaring climax of the football months and the more dulcet yet vast beginning of the opera season. Some throbbing of attendant multitudes coming to the ears of Talbot Potter he obeyed an inward call to walk to rehearsal by way of Fifth Avenue and turning out of Forty-fourth Street to become part of the people sea of the southward current felt the eyes of the northward beating upon his face like the pulsing successions of an exhilarating surf. His Fifth Avenue knew its Talbot Potter. Strangers used to leisurely appraisals upon their own thoroughfares are apt to believe that Fifth Avenue notices nothing but they are mistaken. It is New York that is preoccupied, not Fifth Avenue. The Fifth Avenue eye like a policeman's familiar with a variety of types catalogues you and replaces you upon the shelf with such automatic rapidity that you are not aware you have been taken down. Fifth Avenue is secretly populous with observers who take note of everything.
