- QUESTION**
1. Which of the following is a true statement regarding the relationship between the Federal Reserve and the Treasury Department?
- A. The Federal Reserve is an independent agency of the Treasury Department.
- B. The Federal Reserve is a separate entity from the Treasury Department.
- C. The Federal Reserve is a part of the Treasury Department.
- D. The Federal Reserve is a part of the Federal Reserve System.
- ANSWER**
- The correct answer is B. The Federal Reserve is a separate entity from the Treasury Department. The Federal Reserve is an independent agency of the United States government, established in 1913. It is responsible for conducting the nation's monetary policy, supervising and regulating banks, and maintaining the stability of the financial system. The Treasury Department is a separate branch of the executive branch of the government, responsible for managing the nation's finances, including the collection of taxes and the issuance of government bonds. While the Federal Reserve and the Treasury Department work closely together, they are not part of the same agency.
