Department of Printed Books,1946 **The Fall of the Caliphate of Córdoba** Scales,2024-04-08 This book is a discussion of the complex events which surround the breakup of the Muslim Caliphate of Córdoba in the early eleventh century The focus of the study concerns quite a short period of time 1009 1031 A D although a wide ranging investigation of the political structure of Muslim Spain is embarked on A thorough narrative of the events is followed by separate discussions of some of the main groups involved in the civil wars the Marw nids the supporters of a legitimately appointed Umayyad representative the saq liba Slavs the Berbers and the Christians of northern Spain This book is able to fill the gap in our knowledge of this hitherto little understood period of Spanish history and tackles important questions such as the attitude towards the Berbers tribal solidarity and the importance of land reforms during the 10th century *Statistical and Chronological History of the United States Navy, 1775-1907* Robert Wilden Neeser,1909 *Johnson's Universal Cyclop:dia* ,1893 **Stalin's Agent** Boris Volodarsky,2014-12-11 This is the history of an unprecedented deception operation the biggest KGB deception of all time It has never been told in full until now There are almost certainly people who would like it never to be told It is the story of General Alexander Orlov Stalin s most loyal and trusted henchman during the Spanish Civil War Orlov was also the Soviet handler controlling Kim Philby the British spy defector and member of the notorious Cambridge Five Escaping Stalin s purges Orlov fled to America in the late 1930s and

lived underground He only dared reveal his identity to the world after Stalin s death in his 1953 best seller *The Secret History of Stalin s Crimes* after which he became perhaps the best known of all Soviet defectors much written about highly praised and commemorated by the US Congress on his death in 1973 But there is a twist in the Orlov story beyond the dreams of even the most ingenious spy novelist General Alexander Orlov never actually existed The man known as Orlov was in fact born Leiba Feldbin And while he was a loyal servant of Stalin and the controller of Philby he was never a General in the KGB never truly defected to the West after his flight from the USSR and remained a loyal Soviet agent until his death The Orlov story as it has been accepted until now was largely the invention of the KGB and one perpetuated long after the end of the Cold War In this meticulous new biography Boris Volodarsky himself a former Soviet intelligence officer now tells the true story behind Orlov for the first time An intriguing tale of Russian espionage and deception stretching from the time of Lenin to the Putin era it is a story that many people in the world s intelligence agencies would almost definitely prefer you not to know about
