always been an important visual element to the construction and questioning of national identity in post Independence
Mexico though one that has not always been given its due outside of the celebrated and much studied muralists Ranging
from the early nineteenth century to the present from the vogue for the picturesque illustrated periodicals and the influential
writings of Altamirano to a wealth of twentieth century graphic artists filmmakers and photographers this book re examines
the complex variety of ways in which that visual element has operated In particular it looks at the ways in which discourses
concerning ethnicity and cultural hybridity have been echoed and transformed in Mexican visual culture resulting in fields of
visual discourse which are eclectic and increasingly self reflexive **Botany Bulletin** Queensland. Department of
