Monaco Country Study Guide Volume 1 Strategic Information and Developments IBP USA, *Crips and Bloods* Herbert C. Covey, 2015-06-23 This book provides a concise and engaging examination of the subculture of the Crips and Bloods, the notorious street gangs that started in Los Angeles but have now spread throughout the United States. Despite the dangers and harsh realities intrinsic to street life and criminal activity, the no holds barred lifestyle of gangs continues to interest mainstream America. This provocative book provides an insider's look into the subculture of two of the most notorious street gangs, the Crips and the Bloods. *Crips and Bloods: A Guide to an American Subculture* traces the evolution of the two gangs, covering their origins in South Central Los Angeles to the organizations' current presence throughout the United States. The author analyzes the ways in which the gang subculture is created, promoted and perpetuated, shows how the groups currently recruit their members and explores the ways Crip and Blood culture has expanded beyond the gangs into the larger mainstream society.

The WPA Guide to Louisiana Federal Writers' Project, 2013-10-31 During the 1930s in the United States, the Works Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country's shared history and culture. The American Guide series consists of individual guides to each of the states. Little known authors, many of whom would later become celebrated literary figures, were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston and Ralph Ellison are among the more than 6,000 writers, editors, historians and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns and rich cultural details exhibit each state's unique flavor. The WPA Guide to Louisiana features a state influenced greatly by both

Cajun and Southern cultures as seen in the excellent photography and the chapter focused solely on traditional Louisiana cuisine From Acadiana to the northern Sportsmans Paradise this guide takes the reader on a journey across the swamplands of the Pelican State with several driving tours and special essays on the rich histories of Baton Rouge and New Orleans **A Guide to Material on Crime and Criminal Justice** Augustus Frederick Kuhlman, Social Science Research Council (U.S.).
