La Flandre Au Moyen Ge:

Medieval Flanders David M Nicholas,2014-01-14 Cradle of northern Europe's later urban and industrial pre-eminence medieval Flanders was a region of immense political and economic importance and already as so often later the battleground of foreign powers Yet this book is remarkably the first comprehensive modern history of the region Within the framework of a clear political narrative it presents a vivid portrait of medieval Flemish life that will be essential reading for the medievalist and a boon for the many visitors to Bruges and Ghent eager for a better understanding of what they see Warfare in Medieval Brabant, 1356-1406 Sergio Boffa,2004 An account of the causes, combatants and course of events in the successive conflicts which troubled the duchy for half a century The medieval duchy of Brabant was one of the most powerful principalities of the Low Countries During the second half of the fourteenth century it underwent a particularly dramatic period in its history the House of Leuven was on the point of disappearance the duchy was coveted by Philip the Bold of Burgundy who was already dreaming of extending the Burgundian Empire and by a network of alliances Brabant was drawn into the Hundred Years War The author reviews the successive conflicts which troubled the duchy between 1356 and 1406 the different authorities which influenced the course of military operations the duchess and the duke their officers and the Estates of Brabant describes the combatants in particular the nobility and the urban militias considers the practical aspects of warfare and analyses the military obligations and contracts which bound the men at arms to the duke SERGIO BOFFA is currently researching in the department of Maps and Plans Bibliotheque Royale de Belgique Brussels **Medieval Farming and Technology** ,2023-07-24 This is the first of three planned volumes which deal with the techniques and technology of agriculture in Europe in the period from 600 A.D. down to the 17th century The focus of this first volume is Scandinavia the British Isles Northern Germany the Low Countries and Northern France The volume discusses methodological approaches and their limitations the development of medieval agriculture in terms of the transmission of technological ideas improvements in productivity regional variations social responses to agricultural technology and those common trends that unite the Northwest European region The volume integrates material derived from the great advances made in medieval archaeology and the historical study of landscapes during the past 30 years and has a supranational character It will be of interest to all those working on the social economic and political history of Northwest Europe in the medieval and early modern periods as well as to those undertaking research in the specific field of the history of technology Medieval Bruges Andrew Brown,Jan Dumolyn,2018-05-03 Bruges was undoubtedly one of the most important cities in medieval Europe Bringing together specialists from both archaeology and history this total history presents an integrated view of the city's history from its very beginnings tracing its astonishing expansion through to its subsequent decline in the sixteenth century The authors analysis of its commercial growth industrial production socio-political changes and cultural creativity is grounded in an understanding of the city's structure its landscape and its built environment More than just a biography of a

city this book places Bruges within a wider network of urban and rural development and its history in a comparative framework thereby offering new insights into the nature of a metropolis

L glu,2010-05-15 The Occitan literary tradition of the later Middle Ages is a marginal and hybrid phenomenon caught between the preeminence of French courtly romance and the emergence of Catalan literary prose In this book Catherine L glu brings together for the first time in English prose and verse texts that are composed in Occitan French and Catalan sometimes in a mixture of two of these languages This book challenges the centrality of canonical texts and draws attention to the marginal the complex and the hybrid It explores the varied ways in which literary works in the vernacular composed between the twelfth and fifteenth centuries narrate multilingualism and its apparent opponent the mother tongue L glu argues that the mother tongue remains a fantasy condemned to alienation from linguistic practices that were by definition multilingual As most of the texts studied in this book are works of courtly literature these linguistic encounters are often narrated indirectly through literary motifs of love rape incest disguise and travel *Essays in Medieval Life and Thought* John Hine Mundy,Richard Wilder Emery,Benjamin Nelson,1965 **The Routledge History Handbook of Medieval Revolt** Justine Firnhaber-Baker,Dirk Schoenaers,2016-11-25 The Routledge History Handbook of Medieval Revolt charts the history of medieval rebellion from Spain to Bohemia and from Italy to England and includes chapters spanning the centuries between Imperial Rome and the Reformation Drawing together an international group of

leading scholars chapters consider how uprisings worked why they happened whom they implicated what they meant to contemporaries and how we might understand them now This collection builds upon new approaches to political history and communication and provides new insights into revolt as integral to medieval political life Drawing upon research from the social sciences and literary theory the essays use revolts and their sources to explore questions of meaning and communication identity and mobilization the use of violence and the construction of power The authors emphasize historical actors agency but argue that access to these actors and their actions is mediated and often obscured by the texts that report them Supported by an introduction and conclusion which survey the previous historiography of medieval revolt and envisage future directions in the field The Routledge History Handbook of Medieval Revolt will be an essential reference for students and scholars of medieval political history

Rural and Urban Aspects of Early Medieval Northwest Europe Adriaan Verhulst, 2024-10-28 The articles here concern the period from the end of the Roman Empire up to the 10th 11th centuries and the lands between the Loire and the Rhine most particularly the Low Countries Rural history forms the subject of the first studies which focus on the large classical estates of the Carolingian period Adriaan Verhulst has argued convincingly that these were medieval creations not any inheritance from Late Antiquity and emphasizes their regional differences The following section on urban history consists of three studies on the origins and early development of the key Flemish cities of Ghent Bruges and Antwerp this last now in English and three broader ranging essays which seriously challenge Pirenne's long accepted views of town origins In these the author makes full use of contemporary archaeological research to supplement the scanty written sources and to examine the possibilities of discontinuity from Roman times through the early Middle Ages Cette s rie d articles concerne la p riode allant de la fin de l Empire romain jusqu aux 10 et 11e si cles et le territoires situ s entre la Loire et le Rhin avec un attachement plus particulier aux pays bas Les premi res tudes qui se concentrent sur les grands domaines classiques de l poque carolingienne ont pour sujet l histoire rurale Adriaan Verhulst a soutenu de fa on convaincante qu il s agissait l de cr ations m di vales plut t que d un h ritage provenu de l Antiquit tardive et il en souligne les diff rences r gionales La section suivante qui traite de l histoire urbaine consiste en trois tudes sur les origines et le d veloppement des cit s flamandes de Gand Bruges et Anvers et en trois essais moins sp cifiques qui remettent s rieusement en question les opinions de Pirenne accept es de longue date sur les origines de la ville Au travers de ces derni res l auteur se sert pleinement de la recherche arch
