

Mientras que el patrón vibratorio de los felinos es de naturaleza femenina, recuerde que existe una excepción: el león. Como hemos visto, los leones sintonizan con la energía del Sol y albergan energía masculina. Esto crea un equilibrio, el yin y el yang. El Sol y la energía del león aportan alegría, creatividad, valor, vitalidad y lo divino masculino. Su gato también es capaz de conectar con esta energía y hacerle más fácil que sintonice con ella.

### \* Ritual para sintonizar con la energía solar \*

El siguiente ritual le ayudará a sintonizar con las energías del Sol y del león. Debe llevar a cabo el hechizo durante el día, si es posible, en un lugar donde la luz del Sol entre de pleno.

#### REQUISITOS

- ♦ 1 vela dorada pequeña
- ♦ Incensador o candelas
- ♦ Su gato

#### INSTRUCCIONES

1. Vaya a su espacio sagrado.
2. Ponga la vela dorada en el altar.
3. Trace un círculo protector.
4. Visualice la imagen de un cálido día de verano, imaginando que el Sol brilla y calienta su calor en la piel.
5. Pídale a su gato que le ayude a canalizar la energía del león y del Sol. Fíjese en las características que comparten el gato y el león. No se alarme si su gato se convierte en estos momentos en la imagen de un león. Está haciendo lo que usted le pide y atrayendo esa vibración leonina.

6. Encienda la vela dorada y recite las siguientes palabras:

*Rays del Sol, radiantes y cálidos  
Brillando sobre su melena dorada  
Pasión y coraje, el mundo no existe.  
Creativo y vital, infinito  
La felicidad y la alegría trae  
Dios del Sol, energía flameante  
Se escucha el poderoso rugido del león.*

7. Acerca las manos a ambos lados de la vela para sentir su calor, pero sin quemarse.
8. Continúe observando la vela dorada y su llama.
9. Una vez note la presencia del Sol y de la energía del león, retire las manos y deje que se consuma la vela.
10. Dale las gracias al dios del Sol, a lo divino masculino, al león y a su gato por su presencia y su ayuda.
11. Abra el círculo.

Si ya ha realizado alguno de los dos hechizos de la página 83 o la anterior, puede que haya notado como su gato actúa como canal de energía. A pesar de ser un animal pequeño, es como una central eléctrica a la hora de dejar pasar energía por su cuerpo. Cuando se encuentra en el círculo con usted, hace las veces de batería —por decirlo de algún modo— para su trabajo mágico. Como su energía sintoniza con la de los reinos más elevados, puede acceder ella fácilmente y canalizarla hacia el practicante o el propio trabajo. Si el gato es su familiar, lo hará voluntariamente y no hace falta pedirle permiso. Si el felino es simplemente su compañero, también puede trabajar de esta manera,
