

Labor Leaders In America Working Class In American History

Ken Fones-Wolf, Elizabeth A. Fones-Wolf

Labor Leaders In America Working Class In American History:

The Gospel of the Working Class Erik S. Gellman, Jarod Roll, 2011-07-15 In this exceptional dual biography and cultural history Erik S Gellman and Jarod Roll trace the influence of two southern activist preachers one black and one white who used their ministry to organize the working class in the 1930s and 1940s across lines of gender race and geography Owen Whitfield and Claude Williams along with their wives Zella Whitfield and Joyce Williams drew on their bedrock religious beliefs to stir ordinary men and women to demand social and economic justice in the eras of the Great Depression New Deal and Second World War Williams and Whitfield preached a working class gospel rooted in the American creed that hard productive work entitled people to a decent standard of living Gellman and Roll detail how the two preachers galvanized thousands of farm and industrial workers for the Southern Tenant Farmers Union and the Congress of Industrial Organizations They also link the activism of the 1930s and 1940s to that of the 1960s and emphasize the central role of the ministers wives with whom they established the People s Institute for Applied Religion This detailed narrative illuminates a cast of characters who became the two couples closest allies in coordinating a complex network of activists that transcended Jim Crow racial divisions blurring conventional categories and boundaries to help black and white workers make better lives In chronicling the shifting contexts of the actions of Whitfield and Williams *The Gospel of the Working Class* situates Christian theology within the struggles of some of America s most downtrodden workers transforming the dominant narratives of the era and offering a fresh view of the promise and instability of religion and civil rights unionism

Encyclopedia of U.S. Labor and Working-Class History Eric Arnesen, 2006-11-16 A RUSA 2007 Outstanding Reference Title The Encyclopedia of US Labor and Working Class History provides sweeping coverage of US labor history Containing over 650 entries the Encyclopedia encompasses labor history from the colonial era to the present Articles focus on states regions periods economic sectors and occupations race relations ethnicity and religion concepts and developments in labor economics environmentalism globalization legal history trade unions strikes organizations individuals management relations and government agencies and commissions Articles cover such issues as immigration and migratory labor women and labor labor in every war effort slavery and the slave trade union resistance by corporations such as Wal Mart and the history of cronyism and corruption and the mafia within elements of labor history Labor history is also considered in its representation in film music literature and education Important articles cover the perception of working class culture such as the surge in sympathy for the working class following September 11 2001 Written as an objective social history the Encyclopedia encapsulates the rise and decline and continuous change of US labor history into the twenty first century

Death and Dying in the Working Class, 1865-1920 Michael K. Rosenow, 2015-04-15 Michael K Rosenow investigates working people s beliefs rituals of dying and the politics of death by honing in on three overarching questions How did workers their families and their communities experience death Did various identities of class race gender and religion

coalesce to form distinct cultures of death for working people And how did people s attitudes toward death reflect notions of who mattered in U S society Drawing from an eclectic array of sources ranging from Andrew Carnegie to grave markers in Chicago s potter s field Rosenow portrays the complex political social and cultural relationships that fueled the United States industrial ascent The result is an undertaking that adds emotional depth to existing history while challenging our understanding of modes of cultural transmission

Reader's Guide to American History Peter J. Parish,2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history

Guest Workers and Resistance to U.S. Corporate Despotism Immanuel Ness,2011-09-01 Political scientist Immanuel Ness thoroughly investigates the use of guest workers in the United States the largest recipient of migrant labor in the world Ness argues that the use of migrant labor is increasing in importance and represents despotic practices calculated by key U S business leaders in the global economy to lower labor costs and expand profits under the guise of filling a shortage of labor for substandard or scarce skilled jobs Drawing on ethnographic field research government data and other sources Ness shows how worker migration and guest worker programs weaken the power of labor in both sending and receiving countries His in depth case studies of the rapid expansion of technology and industrial workers from India and hospitality workers from Jamaica reveal how these programs expose guest workers to employers abuses and class tensions in their home countries while decreasing jobs for American workers and undermining U S organized labor Where other studies of labor migration focus on undocumented immigrant labor and contend immigrants fill jobs that others do not want this is the first to truly advance understanding of the role of migrant labor in the transformation of the working class in the early twenty first century Questioning why global capitalists must rely on migrant workers for economic sustenance Ness rejects the notion that temporary workers enthusiastically go to the United States for low paying jobs Instead he asserts the motivations for improving living standards in the United States are greatly exaggerated by the media and details the ways organized labor ought to be protecting the interests of American and guest workers in the United States

The Great Strikes of 1877 David O. Stowell,2008-02-19 New perspectives on a pivotal moment in U S history

Labor's Mind Tobias Higbie,2018-12-30 Business leaders conservative ideologues and even some radicals of the early twentieth century dismissed working people s intellect as stunted twisted or altogether missing They compared workers toiling in America s sprawling factories to animals children and robots Working people

regularly defied these expectations cultivating the knowledge of experience and embracing a vibrant subculture of self education and reading Labor s Mind uses diaries and personal correspondence labor college records and a range of print and visual media to recover this social history of the working class mind As Higbie shows networks of working class learners and their middle class allies formed nothing less than a shadow labor movement Dispersed across the industrial landscape this movement helped bridge conflicts within radical and progressive politics even as it trained workers for the transformative new unionism of the 1930s Revelatory and sympathetic Labor s Mind reclaims a forgotten chapter in working class intellectual life while mapping present day possibilities for labor higher education and digitally enabled self study **Hard**

Work Melvyn Dubofsky,2024-04-22 A career spanning collection of writings by the legendary labor historian One of American labor history s most prominent scholars Melvyn Dubofsky curated an accessible style and historical reach that have long marked his work as required reading for students and scholars This collection juxtaposes Dubofsky s early writings with scholarship from the 1990s Selections include work on western working class radicalism U S labor history in transnational and comparative settings and the impact of technological change on American worker s movements Throughout the writings provide an invaluable eyewitness perspective on the academic and political climate of the 1960s and 1970s while tracing the development of labor history as a discipline An exploration of important themes in labor history Hard Work combines essential scholarship with the story of how past and present interact in the work of historians Labor Leaders in America Melvyn Dubofsky,Warren R. Van Tine,1987 Here are the life stories of the men and women who have led the labor movement in America from Reconstruction to recent times from William H Sylvis the first major labor leader to Cesar Chavez who organized California s farm workers in the 1960s All of the chapters have been written expressly for this volume by leading authorities several of whom are authors of booklength biographies of their subjects Taken together these readable yet authoritative life studies provide a broad overview of the American labor movement that will appeal to the student and lay reader as well as to the specialist in social history and labor and industrial relations **Struggle for the Soul of the**

Postwar South Ken Fones-Wolf,Elizabeth A. Fones-Wolf,2015-03-15 In 1946 the Congress of Industrial Organizations CIO undertook Operation Dixie an initiative to recruit industrial workers in the American South Elizabeth and Ken Fones Wolf plumb rarely used archival sources and rich oral histories to explore the CIO s fraught encounter with the evangelical Protestantism and religious culture of southern whites The authors nuanced look at working class religion reveals how laborers across the surprisingly wide evangelical spectrum interpreted their lives through their faith Factors like conscience community need and lived experience led individual preachers to become union activists and mill villagers to defy the foreman and minister alike to listen to organizers As the authors show however all sides enlisted belief in the battle In the end the inability of northern organizers to overcome the suspicion with which many evangelicals viewed modernity played a key role in Operation Dixie s failure with repercussions for labor and liberalism that are still being felt today Identifying the

role of the sacred in the struggle for southern economic justice and placing class as a central aspect in southern religion

Struggle for the Soul of the Postwar South provides new understandings of how whites in the region wrestled with the options available to them during a crucial period of change and possibility *The Female Economy* Wendy Gamber,1997

The Female Economy explores that lost world of women s dominance showing how independent often ambitious businesswomen and the sometimes imperious consumers they served gradually vanished from the scene as custom production gave way to a largely unskilled modern garment industry controlled by men Wendy Gamber helps overturn the portrait of wage earning women as docile souls who would find fulfillment only in marriage and motherhood *History's Erratics* David M. Emmons,2024-10-22

As Ice Age glaciers left behind erratics so the external forces of history tumbled the Irish into America Existing both out of time and out of space a diverse range of these Roman Catholic immigrants saw their new country in a much different way than did the Protestants who settled and claimed it These erratics chose backward looking tradition and independence over assimilation and embraced a quintessentially Irish form of subversiveness that arose from their culture faith and working class outlook David M Emmons draws on decades of research and thought to plumb the mismatch of values between Protestant Americans hostile to Roman Catholicism and the Catholic Irish strangers among them

Joining ethnicity and faith to social class Emmons explores the unique form of dissidence that arose when Catholic Irish workers and their sympathizers rejected the beliefs and symbols of American capitalism A vibrant and original tour de force

History s Erratics explores the ancestral roots of Irish nonconformity and defiance in America *Fighting for Total Person Unionism* Robert Bussel,2015-09-30

During the 1950s and 1960s labor leaders Harold Gibbons and Ernest Calloway championed a new kind of labor movement that regarded workers as total persons interested in both workplace affairs and the exercise of effective citizenship in their communities Working through Teamsters Local 688 and viewing the city of St Louis as their laboratory this remarkable interracial duo forged a dynamic political alliance that placed their citizen members on the front lines of epic battles for urban revitalization improved public services and the advancement of racial and economic justice

Parallel to their political partnership Gibbons functioned as a top Teamsters Union leader and Calloway as an influential figure in St Louis s civil rights movement Their pioneering efforts not only altered St Louis s social and political landscape but also raised fundamental questions about the fate of the post industrial city the meaning of citizenship and the role of unions in shaping American democracy *The Oxford Handbook of Latin American History* Jose C. Moya,2011

This Oxford Handbook comprehensively examines the field of Latin American history *Asian American History Day by Day* Jonathan H. X. Lee,2018-10-12

For student research this reference highlights the importance of Asian Americans in U S history the impact of specific individuals and this ethnic group as a whole across time documenting evolving policies issues and feelings concerning this particular American population

Asian American History Day by Day A Reference Guide to Events provides a uniquely interesting way to learn about events in Asian American history that span several hundred years and the

contributions of Asian Americans to U S culture in that time The book is organized in the form of a calendar with each day of the year corresponding with an entry about an important event person or innovation that span several hundred years of Asian American history and references to books and websites that can provide more information about that event Readers will also have access to primary source document excerpts that accompany the daily entries and serve as additional resources that help bring history to life With this guide in hand teachers will be able to more easily incorporate Asian American history into their classes and students will find the book an easy to use guide to the Asian American past and an ideal jumping off point for more targeted research

Readings for Diversity and Social Justice Maurianne Adams,2000 These essays include writings from Cornel West Michael Omi Audre Lorde Gloria Anzaldua and Michelle Fine The essays address the multiplicity and scope of oppressions ranging from ableism to racism and other less well known social aberrations

The Challenge of Interracial Unionism Daniel Letwin,1998 This study explores a tradition of interracial unionism that persisted in the coal fields of Alabama from the dawn of the New South through the turbulent era of World War I Daniel Letwin focuses on the forces that prompted black and white miners to colla

Labor's End Jason Resnikoff,2022-01-18 Labor s End traces the discourse around automation from its origins in the factory to its wide ranging implications in political and social life As Jason Resnikoff shows the term automation expressed the conviction that industrial progress meant the inevitable abolition of manual labor from industry But the real substance of the term reflected industry s desire to hide an intensification of human work and labor s loss of power and protection behind magnificent machinery and a starry eyed faith in technological revolution The rhetorical power of the automation ideology revealed and perpetuated a belief that the idea of freedom was incompatible with the activity of work From there political actors ruled out the workplace as a site of politics while some of labor s staunchest allies dismissed sped up tasks expanded workloads and incipient deindustrialization in the name of technological progress A forceful intellectual history Labor s End challenges entrenched assumptions about automation s transformation of the American workplace

Workers in America Robert E. Weir,2013-01-08 This encyclopedia traces the evolution of American workers and labor organizations from pre Revolutionary America through the present day In 2001 Robert E Weir s two volume Historical Encyclopedia of American Labor was chosen as a New York Public Library Best in Reference selection Weir recently revised this groundbreaking resource resulting in content that is more accessible comprehensive and timely The newest edition Workers in America A Historical Encyclopedia features updated entries recent court cases a chronology of key events an enriched index and an extensive bibliography for additional research This expansive encyclopedia examines the complete panorama of America s work history including the historical account of work and workers the social inequities between the rich and poor violence in the Labor Movement and issues of globalization and industrial economics Organized in two volumes and arranged in A Z order the 350 entries span key events collective actions pivotal figures landmark legislation and important concepts in the world of labor and work

[The Columbia Guide to Asian](#)

American History Gary Y. Okihiro, 2005-03-30 Offering a rich and insightful road map of Asian American history as it has evolved over more than 200 years this book marks the first systematic attempt to take stock of this field of study It examines comments and questions the changing assumptions and contexts underlying the experiences and contributions of an incredibly diverse population of Americans Arriving and settling in this nation as early as the 1790s with American born generations stretching back more than a century Asian Americans have become an integral part of the American experience this cleverly organized book marks the trajectory of that journey offering researchers invaluable information and interpretation Part 1 offers a synoptic narrative history a chronology and a set of periodizations that reflect different ways of constructing the Asian American past Part 2 presents lucid discussions of historical debates such as interpreting the anti Chinese movement of the late 1800s and the underlying causes of Japanese American internment during World War II and such emerging themes as transnationalism and women and gender issues Part 3 contains a historiographical essay and a wide ranging compilation of book film and electronic resources for further study of core themes and groups including Chinese Japanese Filipino Hmong Indian Korean Vietnamese and others

Labor Leaders In America Working Class In American History Introduction

In today's digital age, the availability of Labor Leaders In America Working Class In American History books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Labor Leaders In America Working Class In American History books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Labor Leaders In America Working Class In American History books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Labor Leaders In America Working Class In American History versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Labor Leaders In America Working Class In American History books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Labor Leaders In America Working Class In American History books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it

an excellent resource for literature enthusiasts. Another popular platform for Labor Leaders In America Working Class In American History books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Labor Leaders In America Working Class In American History books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Labor Leaders In America Working Class In American History books and manuals for download and embark on your journey of knowledge?

FAQs About Labor Leaders In America Working Class In American History Books

1. Where can I buy Labor Leaders In America Working Class In American History books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
