Collinson & Lock Clive Edwards, 2022-02-28. Victorian furnishers and decorators Collinson Lock were a model of the art furniture business of the last quarter of the nineteenth century. This book is the first wide-ranging study of this once highly important company. It will give insights into the workings and productions of a London furnishing business in the period. It also provides information on a wide variety of topics including furniture design developments interior design styles business practices working practices.

and techniques and the firm's customers and competitors Clive Edwards first considers the structure of the London art furniture trade and its development to locate the firm in its community He then traces the growth of the firm's business its involvement with important international exhibitions the designers they worked with and the furniture and interiors they produced This important book then outlines and discusses Collinson Lock's creations ranging from seminal pieces that were designed for an exclusive clientele to those displayed at national and international exhibitions between 1871 and 1900 through to batch produced objects that still maintained the quality and design that the firm was famous for The involvement of the firm with both public and private interior decoration commissions is also examined through case studies including those in the Anglo Japanese Queen Anne Old English and Renaissance styles used in the later Victorian period Drawing on the author's extensive knowledge of nineteenth century furniture and interiors this book meets a need for a fully researched and illustrated reference work on this famous firm If you have an interest in the history of furniture and interior design if you are involved with furniture collections either on a private basis or professionally or you simply have an interest in the decorative arts and culture of the period this book should be on your shelves
