The Pool Sarah Edghill,2024-06-05 The discovery of a dead body in the pool of a French holiday home sends tensions skyrocketing in this intense new novel from the author of The Bad Wife Hannah and Lizzie have never been close but following the recent death of their mother the sisters have agreed to put their differences to one side and go on holiday together But when they and their families arrive at the remote house they ve rented in the south of France they find a dead body in the swimming pool The place is soon swarming with police then reporters and photographers get hold of the story Finally the news spreads online putting them at the centre of a media storm The sisters already have a fractious relationship as do their teenage daughters and both couples are hiding secrets that put their marriages under strain Finding themselves trapped at a crime scene anger and longstanding resentments come to the surface and any hope of the two families mending fences starts to fade Praise for Sarah Edghill s A Thousand Tiny Disappointments Thoroughly gripping Sarah Edghill knows how to pinpoint what goes on in families Rachel Joyce author of The Unlikely Pilgrimage of Harold Fry Characters you can relate to Katie Fforde author of A Country Escape Compelling Hannah Persaud author of The Codes of Love *The Arrogance of French* Richard Z. Chesnoff,2006-05-30 The French have given Americans a harder time on the international

stage than anyone else Driven by their own self importance and their frustration at no longer being a superpower the French talk down to us with galling self righteousness They love our movies and our fast foods yet hate our values our politics and especially our president But as Richard Z Chesnoff points out the love hate relationship between France and America didn't start with George W Bush or even Ronald Reagan It goes all the way back to the days of Benjamin Franklin and that uppity Rene Descartes Never trust a man named Rene And compared to Charles DeGaulle Jacques Chirac is a piece of cake to work with Chesnoff has lived in France for the past twenty years while writing for major American magazines and newspapers He explains how the French really think and what drives their jealousy and arrogance His maddening experiences while living among the French will raise your blood pressure make you laugh and give you plenty of reasons to jeer This is the perfect book for anyone fed up with the folks who would be speaking German today if not for the USA and who ought to be just a little more grateful in return Book jacket
