Dark Tide Stephen Puleo,2019-01-15 A new 100th anniversary edition of the only adult book on one of the oddest disasters in US history and the greed disregard for poor immigrants and lack of safety standards that led to it Around noon on January 15 1919 a group of firefighters were playing cards in Boston's North End when they heard a tremendous crash It was like roaring surf one of them said later Like a runaway two horse team smashing through a fence said another A third firefighter jumped up from his chair to look out a window Oh my God he shouted to the other men Run A 50 foot tall steel tank filled with 2.3 million gallons of molasses had just collapsed on Boston's waterfront disgorging its contents as a 15 foot high wave of molasses that at its outset traveled at 35 miles an hour It demolished wooden homes even the brick fire station The number of dead wasn't

known for days It would be years before a landmark court battle determined who was responsible for the disaster The New Americans Michael Barone,2001-04-01 If we heed the lessons of America s past and avoid misguided policies and programs that hinder rather than help assimilation the Melting Pot will work as well as it always has Jacket **The Oxford Companion to United States History** Paul S. McKanna,2022-05-10 In a chilling scene in the film Unforgiven Clint Eastwood as the gunman stands over a wounded Gene Hackman the sheriff aiming a rifle at his head I don t deserve this to die like this says Hackman Eastwood replies Deserve s got nothing to do with it cocks his rifle and fires point blank at his helpless victim This scenario dramatically brings home to the viewer what historians have long debated and hundreds of other films and books suggest the turn of the century West was a violent time and place Ranchers miners deputy sheriffs teenagers and old men occasionally even housewives and mothers found themselves at the business end of a shotgun or a 38 revolver Yet since western historians tend to portray violence as essentially episodic frontier gunfights range wars vigilante movements and the like solid data has been hard to come by As a beginning point for actually measuring lethal violence and assessing the administration of justice here at last is a detailed and well documented study of homicide in the American West Comparing data from representative areas Douglas County Nebraska Las Animas County Colorado and Gila County Arizona this book reveals a level of violence far greater than many historians have believed even surpassing eastern cities like New York and Boston Clashing cultures and transient populations a boomtown mentality easy availability of alcohol and firearms these and many other factors come under scrutiny as catalysts in the violence that permeated the region By comparing homicide data including coroner s inquests indictments plea bargains and sentences across both racial and regional lines the book also offers persuasive evidence that criminal justice systems of the Old West were weighted heavily in favor of defendants who were white and against those who were African American Native American or Mexican Packed with information this is a book for students and scholars of western history social history criminology and justice studies Western history buffs will be captivated by colorful anecdotes about the real West where guns could and did blaze over anything from love trysts to vendettas to too much foam on the beer From whatever perspective all readers are sure to find here a well constructed framework for understanding the West as it was and for interpreting the region as it moves into the future *Italy's Many Diasporas* Donna R. Gabaccia,2013-10-18 Italy s residents are a migratory people Since 1800 well over 27 million left home but over half also returned home again As cosmopolitans exiles and workers of the
