La Llave Del Retablo:

La Llave Del Retablo Santiago Zurita,2015-03-04 Corre el siglo XVI Mientras un adinerado mercader comunero se encuentra en Venecia su mujer da a luz a gemelos que nacen con seis dedos en Valladolid a la sazón capital de la corte de España Asustada le pide a un buen amigo de su esposo belga que se deshaga de uno de ellos y al otro que se le seccione uno de los dedos sin que nadie lo sepa El extranjero obedece y se deshace del recién nacido no mutilado dejándolo en el Monasterio de San Benito en vez de en la inclusa A os más tarde el belga amante del arte vuelve a Valladolid en una misión que implica a Felipe II y acabar haciendo un trato con Seis Dedos el monje recibir dinero y ropa para salir del lugar que más odia en el mundo y el belga podrá pasar varias noches analizando el gigantesco retablo del monasterio para encontrar el secreto que el escultor Alonso Berruguete le confesó una noche en una taberna haber escondido entre las esculturas **The Retablo de Isabel la Católica by Juan de Flandes and Michel Sittow** Chiyo Ishikawa,2004 This book is the first serious monograph about the Retablo de Isabel la Católica ca 1496-1504 painted by Juan de Flanders and Michel Sittow Tracing the critical history of the altarpiece and publishing some archival material for the first time it presents the first discussion and technical examination of the individual panels including infrared reflectography and microscopic examination of the painted surface Technical examination also reveals the subject matter was closely related to the religious and political issues that concerned Queen Isabella in the waning years of her reign The conservatism inherent in the austere painted treatment of the lives of Christ and the Virgin Mary is compared to conservative works of religious literature commissioned by or dedicated to the Queen in the years that the altarpiece was being painted Finally a brief catalogue of the surviving twenty eight panels will restore a degree of narrative coherence to a project that is too little understood in large part because of the early dispersal of its paintings **Archivo de arte valenciano** ,1915 **Boletín de archivos, bibliotecas y museos** ,1877
