La Princesse De Babylone Et Autres Contes:

La Princesse de Babylone Voltaire, 1942 *La Princesse de Babylone* Voltaire, 1963 *Between Totem and Taboo* Roger Little, 2001 *Between Totem and Taboo* picks its way judiciously through a minefield of prejudice myth and stereotypes It is the first book to explore the literary representation by authors black and white male and female of interracial relations between France and her former territories in West Africa through the special nexus of the white woman and the black man Presented as a text based chronological exploration of the relationship from 1740 to the present day it reveals how racism distorted such relations for a quarter of a millennium It will fascinate anyone seriously interested in Black studies Women s studies and Postcolonial studies who will find in it not only many unknown or unconsidered texts but a new angle of approach to their research All quotations are in French and English **Une troisième vague féministe et littéraire** Michèle Schaal, 2017-08-28 En France les années 1990 constituent une période charnière pour la littérature et le féminisme Cette décennie marque l'émergence d'une nouvelle génération d'écrivaines ainsi que d'une nouvelle génération de militantes féministes Une troisième vague féministe et littéraire de Michèle A Schaal constitue une approche inédite car elle est la première à établir une connexion entre les deux mouvements travers une analyse interdisciplinaire féministe culturelle et littéraire Schaal démontre comment ces deux mouvances ont abordé de manière similaire les questions identitaires et sexuelles qui émergent lors de cette décennie notamment via l'analyse de quatre romans *Truismes* de Marie Darrieussecq 1996 *Les Jolies Choses* de Virginie Despentes 1998 *Viande* de Claire Legendre 1999 et *Garçon manqué* de Nina Bouraoui 2000 In France the 1990s constituted a crucial era both for feminism and literature This decade witnessed the emergence of a new generation of women writers as well as of a new generation of feminist activists Michèle A Schaal's *Une troisième vague littéraire et féministe* is the first study of its kind to establish a connection between both Through an interdisciplinary approach feminist cultural and literary Schaal demonstrates how these young feminists and writers approached in similar manners the identity and sexuality related debates that occurred during this decade namely via an analysis of four novels *Truismes* by Marie Darrieussecq 1996 *Les Jolies Choses* by Virginie Despentes 1998 *Viande* by Claire Legendre 1999 and *Garçon manqué* by Nina Bouraoui 2000 *There Are No Accidents* Robert H. Hopcke, 1998-07-01 A woman is set up on a blind date with the same man twice years apart on two different coasts A singer's career changes direction when she walks into the wrong audition A husband gives his wife an unexpected gift after she repeatedly dreams about that very same item It was Carl Jung who coined the term synchronicity for those strange coincidences when events seem to conspire to tell us something to teach us to turn our lives around They are the strange plot developments that make us feel like characters in a grand mysterious story How do we identify these coincidences as something special How do we recognize their significance and use them as turning points toward a more meaningful life story In *There Are No Accidents* Jungian psychotherapist Robert Hopcke explores the nature of the human consciousness and the role of synchronicity teaching us to examine our own stories and tap into its power
