Church of Jesus Christ of Latter-day Saints, 2013-11-26 President James E. Faust 1920-2007 of the First Presidency explained the role of prophets and the need for the revelation they receive. The prophets seers and revelators have had and still have the responsibility and privilege of receiving and declaring the word of God for the world. These are the prophetic oracles who have tuned in over the centuries to the celestial transmitting station with a responsibility to relay the Lord's word to others. This Church constantly needs the guidance of its head the Lord and Savior Jesus Christ. This was well taught by President George Q. Cannon while serving in the First Presidency. We have the Bible, the Book of Mormon, and the Book of Doctrine and Covenants, but all these books without the living oracles and a constant stream of revelation from the Lord would not lead any people into the Celestial Kingdom of God. Gospel Truth Discourses and Writings of President George Q. Cannon 2 vols. sel. Jerreld L. Newquist 1974. 1-323. Revelation was required to establish this Church. Revelation has brought it from its humble beginnings to its present course. Revelation has come like flowing living water. Continuing revelation will lead it forward to the windup scene. But as President J. Reuben Clark told us, we do not need more or different prophets. We need more people with a listening ear. In Conference Report Oct. 1948: 82. Continuing Revelation. Ensign Aug. 1996: 2-4, 6-7. **PROPHET User's Manual** National Institutes of Health (U.S.). Division of Research Resources, Bolt, Beranek, and Newman, inc., 1982.

Manual Of Hadith Maulana Muhammad Ali, 2013-09-05. For the western scholar of Islam, the great body of Arabic literature known as the Hadith has long been of outstanding interest and a subject of intensive study. Hadith, as a common noun, simply means talk or conversation, but in the technical religious sense it is used for the individual reported sayings of the Prophet, his Companions, the first caliphs, and others of the pious scholars of early Islam, and from this usage it has become a generic term for the whole corpus of these sayings. The present book of Maulana Muhammad Ali contains 690 traditions, some three quarters of them derived from al-Bukhari's Sahih and the rest from the other sunan and authoritative compilations.
