Manual Leica D Lux 5:

Photographer's Guide to the Leica D-Lux 5 Alexander S. White, 2010-12-12 Photographer's Guide to the Leica D Lux 5 is a follow up to the author's earlier guides to the Leica D Lux 4 Panasonic Lumix LX3 and Panasonic Lumix LX5 digital cameras. The new book like the earlier ones explains all operations, features, menus, and controls of the camera in clear language, providing guidance not only about how to accomplish things with the camera but when and why to use certain features. The book does not assume any specialized knowledge by the reader but adopts a patient and helpful tone in explaining topics such as autofocus, manual focus, aperture priority, shutter priority, macro photography, and RAW files. Besides providing guidance about all basic operations of the camera, the book includes introductions to advanced topics including astrophotography, infrared photography, street photography, and creating 3D images. The book is illustrated with more than 150 color photographs and includes a full table of contents and index.

Photographer's Guide to the Leica D-Lux (Typ 109) Alexander White, 2015-03-15 With the release of Photographer's Guide to the Leica D Lux Typ 109, White Knight Press provides a complete guide to the use of this advanced compact camera. The book shows beginning and intermediate photographers how to capture excellent images and video sequences with the D Lux. The book explains the camera's controls for autofocus, manual focus, aperture, shutter speed, exposure compensation, white balance, and ISO, as well as many other settings. The book also discusses the D Lux's numerous options for playback, setup, and customizing the operation of its various buttons and other controls. The book contains more than 350 color photographs showing the camera's controls, display screens, and menus. The book includes examples of photographs taken using the creative settings of the camera, including the Photo Style settings, the Filter button, picture effects, which provide the ability to customize the appearance of images in dramatic ways, and the camera's features for continuous shooting and shooting in high contrast lighting conditions. The book also includes a full discussion of the video recording abilities of the D Lux camera, which offers manual control of exposure and focus during movie recording and which provides ultra high definition 4K recording of motion pictures. In three appendices, the book provides information about accessories for the D Lux, including cases, external flash units, and other items, and includes a list of web sites and other resources for further information. The book includes an appendix with helpful Quick Tips that explain how to take advantage of the camera's features in the most efficient ways possible.

Photographer's Guide to the Leica D-Lux 6 Alexander S. White, 2013-03-03 The Leica D Lux 6 is one of the top choices for photographers who want an advanced camera they can carry around to capture great images without the complication and weight of a DSLR or other large camera. With features such as a very fast lens with an aperture of f 1.4, excellent image quality, and a solid array of burst shooting capabilities, the D Lux 6 has attracted an enthusiastic following. However, the camera does not come with a detailed printed manual for reference, making it hard for users to find answers to questions about the use of the camera's many controls, menus, and features. With the release of this guide book to the D Lux 6, White
