Livingstone, M.D.,Joanne Gaffney, R.N., LICSW,2016-04-19 The personal interface between clinician and patient is a misunderstood subject which can impact all areas of health care Without adequate training in relationship science clinicians inadvertently contribute to empathic failure poor medical decision process difficulty changing health related behavior costly variation and derailment of care extra litigation and clinician burnout Relationship Power in Health Care presents new knowledge and skills that empower health care and wellness professionals to become competent facilitators of behavior and lifestyle change information transfer and medical decision making in collaboration with their patients The new approaches are supported by a wide variety of research

and clinical evidence derived from modern psychotherapy brain biology and the latest advances in health coaching and nursing science Putting them to work to improve health care makes good sense both scientifically and ethically This comprehensive text integrates past health psychology models starting from the 1950s with recent advances made since the 1990s in relationship psychology and interpersonal neurobiology It also includes videos of brief medical interviews along with analysis of the strategies and tactics used The tactics outlined and the interview demonstrations conducted by a highly experienced clinical social worker and nurse Joanne Gaffney offer a unique opportunity for all clinicians to acquire valuable skills in both clinician self care and patient care

Decoding the Human Body-Field Peter H. Fraser, Harry Massey, 2008-03-20 A revolutionary system that reestablishes the proper flow of information to the body's energetic fields to promote health Presents a new integrative model of the energetic physiology of the human body the human body field and its influence on health Shows that a root cause of disease is due to information blockages in the body field Introduces Infoceuticals liquid remedies that help the human body field process vital information to engage the physical body's self healing abilities After decades of research Peter Fraser has formulated a system that unites the meridian system of traditional Chinese medicine with quantum wave theory to provide the first comprehensive link between the human body's biochemistry and bioenergetics He explains that we each have a body field based on twelve meridian like channels that process and coordinate information throughout the body and that our health depends on the proper flow and communication of information through these channels In Decoding the Human Body Field Fraser and Massey describe in detail their revolutionary Nutri Energetics System which uses Infoceuticals liquids infused with organic colloidal minerals that are imprinted with corrective quantum electrodynamic information to remedy distortions and blockages in the information flow of the body field The imprinted information acts as a magnetic signpost to engage the body's self healing ability
