Holy Mavericks Evangelical Innovators And The Spiritual Marketplace:

Holy Mavericks Phillip Luke Sinitiere, Shayne Lee, 2009-04-01 Joel Osteen Paula White T D Jakes Rick Warren and Brian McLaren pastor some the largest churches in the nation lead vast spiritual networks write best selling books and are among the most influential preachers in American Protestantism today Spurred by the phenomenal appeal of these religious innovators sociologist Shayne Lee and historian Phillip Luke Sinitiere investigate how they operate and how their style of religious expression fits into America s cultural landscape Drawing from the theory of religious economy the authors offer new perspectives on evangelical leadership and key insights into why some religious movements thrive while others decline Holy Mavericks provides a useful overview of contemporary evangelicalism while emphasizing the importance of supply side thinking in understanding shifts in American religion It reveals how the Christian world hosts a culture of celebrity very similar to the secular realm particularly in terms of marketing branding and publicity Holy Mavericks reaffirms that religion is always in conversation with the larger society in which it is embedded and that it is imperative to understand how those religious suppliers who are able to change with the times will outlast those who are not **The Worship Mall** Bryan D. Spinks, 2011-02-01 Religion today is in competition with the leisure and entertainment industries Gen Y the postmodern generation is open to spirituality but most of today's young adults have not been born into faith communities where they feel any lasting allegiance Studies suggest that for the young belief in God is an optional matter a virtual consumer choice As a result different trends in worship and worship styles are offered by different churches to suit lifestyles attitudes and personal taste *Does Scripture Speak for Itself?* Jill Hicks-Keeton, Cavan Concannon, 2022-10-06 Examines how race money and institution building shape fights over the Bible and Christianity in US public life *Evangelicals Incorporated* Daniel Vaca, 2019-12-03 American evangelicalism is big business It is not Daniel Vaca argues just a type of conservative Protestantism that market forces have commodified Rather evangelicalism is an expressly commercial practice in which the faithful participate learn and develop religious identities by engaging corporations and commercial products

Pentecostal Preacher Woman Linda Ambrose, 2024-11-15 Evangelical pastor talk show host politician Pentecostal Preacher Woman explores the life of the Reverend Bernice Gerard 1923 2008 one of the most influential spiritual figures of twentieth century British Columbia whose complicated blend of social conservatism and social compassion has lessons for our polarized times Coming out of a difficult childhood Gerard was attracted to Pentecostalism s emphasis on direct personal experience of God and the use of spiritual gifts and she became a widely travelled international evangelist As a pastor radio personality and alderman she was a compelling communicator for the Christian right and an ardent critic of liberal social mores yet she supported social justice for refugees Indigenous people and Vancouver s homeless population She remained rooted in patriarchal religious institutions but practised a kind of feminism and shared her life with a female partner Based on Reverend Gerard s personal archives and writings Pentecostal Preacher Woman traces the complex evolution of a

conservative woman s ideas about faith and society

Secularization and Religious Innovation in the North Atlantic

World David Hempton,Hugh McLeod,2017 In the early twenty first century it had become a cliché that there was a God Gap between a more religious United States and a more secular Europe The apparent religious differences between the United States and western Europe continue to be a focus of intense and sometimes bitter debate between three of the main schools in the sociology of religion According to the influential Secularization Thesis secularization has been an integral part of the processes of modernization in the Western world since around 1800 For proponents of this thesis the United States appears as an anomaly and they accordingly give considerable attention to explaining why it is different For other sociologists however the apparently high level of religiosity in the USA provides a major argument in their attempts to refute the Thesis Secularization and Religious Innovation in the North Atlantic World provides a systematic comparison between the religious histories of the United States and western European countries from the eighteenth to the late twentieth century noting parallels as well as divergences examining their causes and especially highlighting change over time This is achieved by a series of themes which seem especially relevant to this agenda and in each case the theme is considered by two scholars The volume examines whether American Christians have been more innovative and if so how far this explains the apparent God Gap It goes beyond the simple American European binary to ask what is American or European in the Christianity of the nineteenth and twentieth centuries and in what ways national or regional differences outweigh these commonalities

God's Own Party Daniel K. Williams,2012-07-12 In God s Own Party Daniel K Williams presents the first comprehensive history of the Christian Right uncovering how evangelicals came to see the Republican Party as the vehicle through which they could reclaim America as a Christian nation

The Color of Christ Edward J. Blum,Paul Harvey,2012 Explores the dynamic nature of Christ worship in the U S addressing how his image has been visually remade to champion the causes of white supremacists and civil rights leaders alike and why the idea of a white Christ has endured

The Immaculate Mistake Rodney Wallace Kennedy,2021-09-23 President Donald Trump originated his political career by claiming that Barack Obama was not born in the USA His birtherism theory was discredited but there s another possibility about birth Evangelicals have given birth to Donald Trump in the immaculate mistake Evangelicals are not a collection of dumb and irrational people they are the creators of the demolition presidency of Trump He is their child the result of almost one hundred years of evangelical angst resentment and hurt This is the story of how Trump has become a secular evangelical preacher and his message of fear hatred division and getting even has captured the hearts and minds of evangelicals Rather than dismissing them this work takes them seriously and literally and offers a frank and disturbing series of portraits of their determination to win at all costs

The Columbia Guide to Religion in American History Paul Harvey,Edward J. Blum,2012-02-14 The first guide to American religious history from colonial times to the present this anthology features twenty two leading scholars speaking on major themes and topics in the development of the diverse religious traditions of the

United States These include the growth and spread of evangelical culture the mutual influence of religion and politics the rise of fundamentalism the role of gender and popular culture and the problems and possibilities of pluralism Geared toward general readers students researchers and scholars The Columbia Guide to Religion in American History provides concise yet broad surveys of specific fields with an extensive glossary and bibliographies listing relevant books films articles music and media resources for navigating different streams of religious thought and culture The collection opens with a thematic exploration of American religious history and culture and follows with twenty topical chapters each of which illuminates the dominant questions and lines of inquiry that have determined scholarship within that chapter's chosen theme Contributors also outline areas in need of further more sophisticated study and identify critical resources for additional research The glossary American Religious History A Z lists crucial people movements groups concepts and historical events enhanced by extensive statistical data

The Theology of Dallas Willard Gary Black Jr., 2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard's unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith

The Blessings of Business Darren E. Grem, 2016 Tells the largely forgotten story of the historical ties between conservative Protestants and corporate America shows how business executives have been crucial to the growth of modern evangelicalism explains how evangelicals attached their social and religious aspirations to American corporate culture and the private sector <https://globaloup.com>

Attanasi,A. Yong,2012-02-27 While there are a growing number of researchers who are exploring the political and social aspects of the global Renewal movement few have provided sustained socio economic analyses of this phenomenon The editors and contributors to this volume offer perspectives in light of the growth of the Renewal movement in the two thirds world **"Brand® New Theology** McGee, Paula L.,2017-03-16 McGee critiques the popular Health Wealth message so prominently targeted especially to black Christian women She examines the preaching and writing of T D Jakes as the most representative of a new phenomenon the New Black Church a new form of prosperity gospel that signifies what she calls the Wal Martization of religion Performing for the Don Hank Willenbrink,2023-11-23 This volume examines the intersection of political power and religion during the presidency of Donald Trump through an examination of performance This study begins with an examination of white evangelical Christian support for Trump through readings of the 2018 film The Trump Prophecy based on a book of the same name and The Faith of Donald J Trump a spiritual biography of the former president by veteran Christian reporters David Brody and Scott Lamb White evangelicals Christianized Trump during his run for office in 2016 and Trump s ascension to the presidency broke down barriers between church and state in service of dominionistic Christian aims This exploration then looks at the conservative Catholicism through an exploration of Heroes of the Fourth Turning a finalist for the 2019 Pulitzer Prize for Drama by Will Arbery and Rod Dreher s The Benedict Option While Trump s connection to evangelicals is well documented conservative Catholics like Attorney General Bill Barr and Supreme Court Justice Amy Coney Barrett took on pivotal roles during the Trump administration demonstrating the significance of conservative Catholicism to his presidency The author finally examines the cult of Trump on the internet by interrogating the performance of spirituality in pro Trump conspiracy theories like QAnon This book will be of great interest not only to theatre and performance studies scholars but also scholars with interests in political and religious studies The Media and Religious Authority Stewart M. Hoover,2016-09-01 As the availability and use of media platforms continue to expand the cultural visibility of religion is on the rise leading to questions about religious authority Where does it come from How is it established What might be changing it The contributors to The Media and Religious Authority examine the ways in which new centers of power and influence are emerging as religions seek to brand themselves in the media age Putting their in depth incisive studies of particular instances of media production and reception in Asia Africa Latin America and North America into conversation with one another the volume explores how evolving mediations of religion in various places affect the prospects aspirations and durability of religious authority across the globe An insightful combination of theoretical groundwork and individual case studies The Media and Religious Authority

invites us to rethink the relationships among the media religion and culture The contributors are Karina Kosicki Bellotti Alexandra Boutros Pauline Hope Cheong Peter Horsfield Christine Hoff Kraemer Joonseong Lee Alf Linderman Bah yyah Maroon Montr Aza Missouri and Emily Zeamer with an afterword by Lynn Schofield Clark *Religion and American Cultures* Gary Laderman, Luis León, 2014-12-17 This four volume work provides a detailed multicultural survey of established as well as new American religions and investigates the fascinating interactions between religion and ethnicity gender politics regionalism ethics and popular culture This revised and expanded edition of Religion and American Cultures Tradition Diversity and Popular Expression presents more than 140 essays that address contemporary spiritual practice and culture with a historical perspective The entries cover virtually every religion in modern day America as well as the role of religion in various aspects of U S culture Readers will discover that Americans aren t largely Protestant Catholic or Jewish anymore and that the number of popular religious identities is far greater than many would imagine And although most Americans believe in a higher power the fastest growing identity in the United States is the nones those Americans who elect none when asked about their religious identity thereby demonstrating how many individuals see their spirituality as something not easily defined or categorized The first volume explores America s multicultural communities and their religious practices covering the range of different religions among Anglo Americans and Euro Americans as well as spirituality among Latino African American Native American and Asian American communities The second volume focuses on cultural aspects of religions addressing topics such as film Generation X public sacred spaces sexuality and new religious expressions The new third volume expands the range of topics covered with in depth essays on additional topics such as interfaith families religion in prisons belief in the paranormal and religion after September 11 2001 The fourth volume is devoted to complementary primary source documents

Minorities and Reconstructive Coalitions Willie Gin, 2017-07-06 As with Muslims today Catholics were once suspected of being antidemocratic oppressive of women and supportive of extremist political violence By the end of the twentieth century Catholics were considered normal and sometimes valorized as exemplary citizens Can other ethnic racial and religious minorities follow the same path Minorities and Reconstructive Coalitions provides an answer by comparing the stories of ethnic Catholics political incorporation in Australia Canada and the United States Through comparative and historical analysis the book shows that reconstructive coalitions such as labor and pan Christian moral movements can bring Catholics and Protestants together under new identities significantly improving Catholic standing Not all coalitions are reconstructive or successful and institutional structures such as regional autonomy can enhance or inhibit the formation of these coalitions The book provides overviews of the history of Catholics in the three countries reorients the historiography of Catholic incorporation in the United States uncovers the phenomenon of minority overrepresentation in politics and advances unique arguments about the impact of coalitions on minority politics
