UNDERSTANDING THE HOLY SPIRIT:

The Holy Spirit Made Easy Lola Richey, 2011-08-08 The very mention of the phrase Holy Spirit brings up different thoughts opinions and emotions What and who is the Holy Spirit Having grown up in the church for over thirty years I have often noticed the various ideas and thoughts people have about the Holy Spirit As a practicing attorney and Christian I had a desire to understand the Holy Spirit I have found the Holy Spirit is often a neglected or misunderstood topic by many professing Christians Many people think the Holy Spirit is meant for just one denomination of churches Therefore I set out to research and discover the true meaning of the Holy Spirit I learned the Bible speaks clearly about the Holy Spirit This book will help bring a clear understanding of the importance the Holy Spirit holds for our everyday lives

The Holy Spirit of God Donald W. French, 2009-06 This book is written in the format that Donald W French uses of letting the Bible speak for itself This style of writing is much more unique than it should be in a country where a majority of the population claims to believe that the Bible is the inspired word of God It is the author's hope that this book will encourage others to study the Bible not only to better understand the Holy Spirit of God but to help encourage a manner of humbly reading the Bible in order to come to the understanding that God intended when He inspired the writing of the verses of the Bible The author firmly believes that this is the only way that there can ever be unity in the religious world unity not in diversity but in actuality
