Holy Bible Includes The Most Important Thing In Life:

The Lord is a Man of War Dr. D. K. Olukoya, 2016-03-18 The reason why many people have lived as spineless weaklings who always run away whenever there is little threat from the camp of the enemy could be traced to their ignorance of God's power. Nobody can truly know God as a man of war and fail to experience victory in life's battles. Get to see the Lord as a man of war.

The Meaning and Purpose for Life on Earth Rick Schramm, 2016-08-10

Imagine you are a young person seeking an education, career, a loving family, a dream home, and all the good things this world has to offer. Having gone to college, married your soul mate, conceived a miraculous son, and built your dream home, you are well on your way when you are diagnosed with a brain tumor and told by a neurosurgeon that you are going to go blind and die. But God saves your life in an eight-hour brain surgery. He gives you an incredible near-death experience in a second brain surgery in which you are shown amazing knowledge that is so far above what this world knows that you are filled with the unspeakable joy of being able to understand this knowledge. Then God removes all this understanding from you except for two words and calls you to recreate this knowledge from the pages of Bible and share it.

with others Come with me as we recreate this knowledge by piecing together amazing truths and hidden wisdom found in the Word of God and we will learn things we never knew that we never knew The word mystery is found in the Bible some twenty one times along with many parables signs metaphors and symbolic language We will piece together these truths going into the ancient Hebrew and Greek definitions when necessary to understand what the writers of the Bible understood to create a picture of reality that goes far beyond this world we know This understanding will challenge what we believe to be true in our minds and change what we desire in our hearts And that is exactly what the Bible was meant to do The goal of this book is to unite the church of Christ with an understanding of the Word of God that can replace the traditions of man that are not Biblically based

A complete concordance to the holy Scriptures. To which is added, a sketch of the life and character of the author Alexander Cruden,1879 **The holy Bible, with the parallel passages of Scott [and others] systematically arranged** ,1846 **The Authority of Holy Scripture** Charles Augustus Briggs,1893
